The unforgettable story of a military family that lost two sons one to suicide and one in combat and channeled their grief into fighting the armed forces suicide epidemic Major General Mark Graham was a decorated two star officer whose integrity and patriotism inspired his sons Jeff and Kevin to pursue military careers of their own His wife Carol was a teacher who held the family together while Mark s career took them to bases around the world When Kevin and Jeff die within nine months of each other Kevin commits suicide and Jeff is killed by a roadside bomb in Iraq Mark and Carol are astonished by the drastically different responses their sons deaths receive from the Army While Jeff is lauded as a hero Kevin s death is met with silence evidence of the terrible stigma that surrounds suicide and mental illness in the military Convinced that their sons died fighting different battles Mark and Carol commit themselves to transforming the institution that is the cornerstone of their lives The Invisible Front is the story of how one family tries to set aside their grief and find purpose in almost unimaginable

loss The Grahams work to change how the Army treats those with PTSD and to erase the stigma that prevents suicidal troops from getting the help they need before making the darkest of choices Their fight offers a window into the military s institutional shortcomings and its resistance to change failures that have allowed more than 3 000 troops to take their own lives since 2001 Yochi Dreazen an award winning journalist who has covered the military since 2003 has been granted remarkable access to the Graham family and tells their story in the full context of two of America s longest wars Dreazen places Mark and Carol s personal journey which begins when they fall in love in college and continues through the end of Mark s thirty four year career in the Army against the backdrop of the military s ongoing suicide spike which shows no signs of slowing With great sympathy and profound insight The Invisible Front details America s problematic treatment of the troops who return from war far different than when they d left and uses the Graham family s work as a new way of understanding the human cost of war and its lingering effects off the battlefield **NIV, Fulfilled** Mary

experience as a teacher parent coach musician and big kid the reflections are an eclectic mix of food for thought Every 6th day is a silly story intended to produce those healing endorphins we all need to keep our equilibrium There are plenty of opportunities to laugh cry and to agree or disagree If you need to escape from autopilot and enhance your life long learning skills MAGIC APPLES should give you lots to chew on If you desire a modern approach to traditional tales new ways to love your fellowtravelers and the chance to laugh at the human condition a magic apple each day will be to your delight *Steal the Menu* Raymond Sokolov,2014-02-11 Part autobiography part culinary history *Steal the Menu* is former New York Times food editor Raymond Sokolov s account of four decades of eating From his pathbreaking dispatches on nouvelle cuisine in France to finding top notch Chinese dishes at a New Jersey gas station to picking the brain of the most Michelin starred chef in the world Sokolov captures the colorful characters and mouth watering meals that define food today Throughout he shares a lifetime of personal anecdotes including infuriating President Nixon s daughter over a wedding cake as well as prescient observations on one of the most tumultuous and exciting periods in gastronomic history *Congressional Record* United States. Congress,1983 Rows of Memory Saul Sanchez,2014-04-01 Every year from April to October the S nchez family traveled crowded in the back of trucks camping in converted barns tending and harvesting crops across the breadth of the United States Although hoeing sugar beets with a short hoe was their specialty they also picked oranges in California apples in Washington cucumbers in Michigan onions and potatoes in Wisconsin and tomatoes in Iowa Winters they returned home to the Winter Garden region of South Texas In 1951 Sa l S nchez began to contribute to his family s survival by helping to weed onions in Wind Lake Wisconsin He was eight years old *Rows of Memory* tells his story and the story of his family and other migrant farm laborers like them people who endured dangerous dirty conditions and low pay surviving because they took care of each other Facing racism both on the road and at home they lived a largely segregated life only occasionally breached by friendly employers Despite starting school late and leaving early every year and having to learn English on the fly young Sa l succeeded academically At the same time that Mexican Americans in South Texas upended the Anglo dominated social order by voting their own leaders into local government he upended his family s order by deciding to go to college Like many migrant children he knew that his decision to pursue an education meant he would no longer be able to help feed and clothe the rest of his family Nevertheless with his parents support he went to college graduating in 1967 and after a final display of his skill with a short hoe for his new friends abandoned migrant labor for teaching In looking back at his youth S nchez invites us to appreciate the largely unrecognized and poorly rewarded strength and skill of the laborers who harvest the fruits and vegetables we eat A first person portrait of life on the bottom rung of the food system this coming of age tale illuminates both the history of Latinos in the United States and the human consequences of industrial agriculture
