

## MEMORANDUM

DATE: January 16, 2004

TO: Jeffrey Tryens, Director  
Oregon Progress Board

FROM: Vicki S. McConnell, Director  
Department of Geology and Mineral Industries

SUBJECT: Annual Performance Measure Report for the  
Department of Geology and Mineral Industries

Our Performance Measure Report covers the period from June 2002 to July 2003 maintaining our previous reporting schedule. I will summarize our performance accomplishments as well as indicating the challenges we face in the upcoming fiscal year.

Tasks in Program I (Geologic Survey and Services) consist of collecting and creating data and disseminating information regarding geological natural resources and hazards.

Program I projects cover the compilation and dissemination of geologic information and maps of sufficient detail to aid regions with a variety of land use and natural resource problems and policy development. Our Agency Goals (PM#7-9) reflect the primacy of our agency mission of geologic mapping and resource data collection. In this reporting period, we completed and published maps and reports of both regional and local scale. Our primary stakeholders for these publications are federal, state, and local entities concerned with the management of natural resources such as water.

High-resolution geologic maps are produced to provide data for local land use and resource development issues. These maps are important to foresters for resource development and fire suppression, to local planners for land use planning and development, to other state agencies for a variety of policy and resource decisions. For example, our geologic maps and resource databases provide vital information for decisions leading up to locating potential "shovel-ready" industrial sites for development. We maintain and update spatial databases of mineral and rock resources and the

## 2014june Business Memorandum:

*Overcoming Global Inequalities* Immanuel Wallerstein, Christopher Chase-Dunn, Christian Suter, 2015-11-17 This book examines the changing nature of global inequalities and efforts that are being made to move toward a more egalitarian world society The contributors are world historical sociologists and geographers who place the contemporary issues of unequal power wealth and income in a global historical perspective The geographers examine the roles of geopolitics and patterns of warfare in the historical development of the modern world system and the sociologists examine endeavours to improve the situations of poor peoples and nations and to engage the challenges of sustainability that are linked with global inequalities *Overcoming Global Inequalities* contains cutting edge research from engaged social scientists intended to help humanity deal with the challenges of global inequality in the 21st century

*Indefensible* Paul Holden, 2016-09-15 Although there is often opposition to individual wars most people continue to believe that the arms industry is necessary in some form to safeguard our security provide jobs and stimulate the economy Not only conservatives but many progressives and liberals support it for these reasons *Indefensible* puts forward a devastating challenge to this conventional wisdom which has normalised the existence of the most savage weapons of mass destruction ever known It is the essential handbook for those who want to debunk the arguments of the industry and its supporters deploying case studies statistics and irrefutable evidence to demonstrate they are fundamentally flawed both factually and logically Far from protecting us the book shows how the arms trade undermines our security by fanning the flames of war terrorism and global instability In countering these myths the book points to ways in which we can combat the arms trade s malignant influence reclaim our democracies and reshape our economies

*Between the Waves* Tom McTague, 2025-09-04 Powerful precise morally engaged wonderfully alert to character context and the greater purpose of political life Rory Stewart author of *Politics on the Edge* A lucid thoughtful and richly provocative book Dominic Sandbrook *The Sunday Times* Compelling hugely well informed will stand for many years as the authoritative political history David Kynaston author of *Austerity Britain 1945 1951* This is the definitive history of Britain s tumultuous relationship with Europe as it s never been told before In a story of vaulting ambition and underhand politics of nation identity and belief acclaimed political writer Tom McTague chronicles the battle of ideas events and personalities that first took the country into the Common Market in 1973 only to take it out of the European Union in an explosive referendum a little over forty years later Drawing on unpublished sources and exclusive interviews McTague unearths the roots of ideological conflict that raged between the leading politicians of the twentieth century as they fought for the future of Europe Charles de Gaulle Harold Macmillan Jean Monnet Enoch Powell and Margaret Thatcher Alongside these famous figures are the lesser known actors in Britain s great post war drama a coterie of Eurosceptic student radicals Cold Warriors eccentric billionaires and political strategists who turned the tide of history A riveting story of the clashing ideals that have pulled at Britain s public imagination for more than seven decades *Between the Waves* raises that most elemental of questions who are

we A sweeping impressive and ambitious history of modern Europe Helen Lewis author of *Difficult Women* Journal of the House of Representatives of the United States United States. Congress. House,2007 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House The Cannabis Business Charles S. Aloviseti,Cassia Furman,2020-12-29 As the largely illicit cannabis market transitions to a legal regulated industry the cannabis curious and experienced industry participants alike are experiencing the harsh truth Making a fortune in the legal cannabis industry is a challenge made even more difficult by a complex patchwork of state and federal laws The Cannabis Business clears the confusion around topics such as the distinction between hemp and cannabis and why it matters for consumers and regulators why CBD isn't completely legal in the U S why and how states differ in their licensing processes and how deal structuring is impacted by state regulations Written by attorneys from the nation's leading cannabis law and policy firm this comprehensive primer on all things cannabis law is a must have for anyone seeking to understand the major practical legal issues facing the cannabis industry in the U S Zimbabwe International Monetary Fund. African Dept.,2014-07-11 This 2014 Article IV Consultation highlights that economic rebound in Zimbabwe experienced since the end of hyperinflation in 2009 has now ended After averaging 10 percent over 2009 2012 growth fell to an estimated 3.3 percent in 2013 reflecting tight liquidity conditions election year uncertainty weak demand for key exports competitiveness pressures and the impact of adverse weather conditions Inflation continued its downward trend from 2.9 percent year over year at end 2012 to 0.3 percent in April 2014 The medium term outlook under the baseline scenario is for growth to average some 4 percent as large mining sector investments reach full capacity **United States of America Congressional Record, Proceedings and Debates of the 113th Congress Second Session Volume 160 - Part 5** , *The Internal Revenue Service's Processing of 501(c)(3) and 501(c)(4) Applications for Tax-exempt Status Submitted by "political Advocacy" Organizations from 2010-2013* United States. Congress. Senate. Committee on Finance,2015 Canada after Harper Ed Finn,2015-08-13 Most Canadians know that Stephen Harper has had a tremendous impact on the country since becoming prime minister in 2006 But few have the in depth knowledge of how far his transformation has gone what has already been done and what the consequences will be in the future This book brings together Canadian experts in a wide variety of areas They document key changes put in place by the Harper government There have been dramatic changes in education health care women's rights science and research guiding the economy labour unions water and natural resources and aboriginal affairs Most of these measures have been designed to be difficult if not impossible to reverse Readers will for the first time grasp the breadth and depth of the Harper attack on institutions policies and programs that embody values and principles shared by most Canadians Each chapter documents the dangers of a government fixated on the needs of corporations and the one percent blinded to our environmentally unsustainable lifestyle and expanding surveillance and security measures to intimidate and threaten

opponents The contributors to this book believe that engagement in public affairs by the citizenry can trump the power of the elites and the giant corporations who are the winners of the Harper era As activists in public life they propose strategies and measures to create a Canada that champions fairness social justice real democracy in our government institutions action to reverse global warming and a constructive role in world affairs **The European Union and the BRICS** Marek

Rewizorski,2015-06-10 This book explores the relations between the EU and the BRICS in the areas of politics economic development trade and security The contributions cover topics such as the position of the EU and BRICS in the global order and the EU as a normative power as well as the evolution characteristics and institutionalization of BRICS and the roles of its member countries Brazil Russia India China South Africa The book will appeal to researchers and scholars interested in the rise of BRICS and the resulting challenges and opportunities for the European Union and Global Governance **The**

**Human Rights Covenants at 50** Daniel Moeckli,Helen Keller,Corina Heri,2018-06-06 Half a century ago on 16 December 1966 the UN General Assembly adopted the International Covenant on Civil and Political Rights ICCPR and the International Covenant on Economic Social and Cultural Rights ICESCR While the adoption of the two UN human rights covenants was celebrated all over the world their 50th anniversary has received very little attention from the international community The present book marks this anniversary by taking stock of the first half century of the existence of what are probably the world s two most important human rights treaties It does so by reflecting on what the covenants have achieved or failed to achieve in the years that have passed by determining and comparing their current influence in the various regions of the world and by assessing their potential roles in the future The book contains papers that were presented during a symposium held in Zurich in 2016 which brought together experts and stakeholders from a range of disciplines and world regions Some fundamental issues that are addressed by the contributors are as old as the two covenants themselves They concern for example the division of human rights into first and second generation rights and the question of whether there should be one central monitoring body possibly a world court or more than just one However the contributors go beyond such questions that have been explored before they develop new answers to old questions and point to new challenges **Issues in**

**Entrepreneurship & Small Business Management** SAGE Business Researcher,2017-03-31 How different is the sharing economy from the traditional economy What can entrepreneurs learn from failure Can start ups change the world SAGE Business Researcher s Issues in Entrepreneurship offers an in depth and nuanced look at a wide range of today s latest issues and controversies in entrepreneurship This new collection of timely readings delves into current topics such as learning from failure social entrepreneurship flat management crowdfunding and more Written with the rigor and immediacy of the best explanatory journalism each issue provides deep balanced and authoritative coverage on the selected topic and key research pointing students to reliable resources for further inquiry These articles are perfect for outside reading assignments or in class debates for any introductory entrepreneurship course **The Debasing of Human Rights** Aaron

Rhodes,2018-04-17 The idea of human rights began as a call for individual freedom from tyranny yet today it is exploited to rationalize oppression and promote collectivism How did this happen Aaron Rhodes recognized as one of the leading human rights activists in the world by the University of Chicago reveals how an emancipatory ideal became so debased Rhodes identifies the fundamental flaw in the Universal Declaration of Human Rights the basis for many international treaties and institutions It mixes freedom rights rooted in natural law authentic human rights with economic and social rights or claims to material support from governments which are intrinsically political As a result the idea of human rights has lost its essential meaning and moral power The principles of natural rights first articulated in antiquity were compromised in a process of accommodation with the Soviet Union after World War II and under the influence of progressivism in Western democracies Geopolitical and ideological forces ripped the concept of human rights from its foundations opening it up to abuse Dissidents behind the Iron Curtain saw clearly the difference between freedom rights and state granted entitlements but the collapse of the USSR allowed demands for an expanding array of economic and social rights to gain legitimacy without the totalitarian stigma The international community and civil society groups now see human rights as being defined by legislation not by transcendent principles Freedoms are traded off for the promise of economic benefits and the notion of collective rights is used to justify restrictions on basic liberties We all have a stake in human rights and few serious observers would deny that the concept has lost clarity But no one before has provided such a comprehensive analysis of the problem as Rhodes does here joining philosophy and history with insights from his own extensive work in the field ACCA P6 Advanced Taxation

FA2014 BPP Learning Media,2014-12-02 BPP Learning Media s status as official ACCA Approved Learning Provider Content means our ACCA Study Texts and Practice Revision Kits are reviewed by the ACCA examining team BPP Learning Media products provide you with the exam focussed material you need for exam success *Ultra-Large Aircraft, 1940-1970*

William Patrick Dean,2018-04-04 In 1962 a unique transport aircraft was built from the parts of 27 Boeing B 377 airliners to provide NASA a means of transporting rocket boosters With an interior the size of a gymnasium The Pregnant Guppy was the first of six enormous cargo planes built by Aero Spacelines and two built by Union de Transport Aeriens More than half a century later the last Super Guppy is still in active service with NASA and the design concept has been applied to next generation transports This comprehensive history of expanded fuselage aircraft begins in the 1940s with the military s need for a long range transport The author examines the development of competing designs by Boeing Convair and Douglas and the many challenges and catastrophic failures Behind the scenes maneuvers of financiers corporate raiders mobsters and other nefarious characters provide an inside look at aviation development from the drawing board to the scrap yard

### **2014june Business Memorudam Introduction**

In the digital age, access to information has become easier than ever before. The ability to download 2014june Business Memorudam has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download 2014june Business Memorudam has opened up a world of possibilities. Downloading 2014june Business Memorudam provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading 2014june Business Memorudam has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download 2014june Business Memorudam. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading 2014june Business Memorudam. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading 2014june Business Memorudam, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download 2014june Business Memorudam has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About 2014june Business Memorudam Books

1. Where can I buy 2014june Business Memorudam books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a 2014june Business Memorudam book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of 2014june Business Memorudam books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are 2014june Business Memorudam audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read 2014june Business Memorudam books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
