2015 16 University Cut Off In Kenya:

Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa's fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women's interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

Equality in Kenya's 2010 Constitution Victoria Miyandazi, 2021-02-25 This book makes a significant contribution to the ongoing global conversations on the various understandings of equality It illuminates the many ways in which diverse equality guarantees clash or are interrelated It also sets out principled approaches on how they can be coherently interpreted to address the myriad inequalities in Kenya Taking a comparative approach the book considers how other jurisdictions including the United States United Kingdom Canada South Africa India and Botswana have approached the conceptualisation interpretation and application of various equality concepts The book focuses on important issues such as transformative constitutionalism in relation to the interpretation of Kenya's 2010 Constitution expanding the list of enumerated grounds for non discrimination affirmative action accommodating religious and cultural diversity versus gender equality the interrelation between socio economic rights and status based equality

Strategic Culture and Violent Non-State Actors Edward D. Last, 2020-07-12 This book applies strategic culture concepts to violent non state actors VNSAs in a comparative analysis In recent years Al Qaida in the Islamic Maghreb AQIM has become notorious for kidnapping Western hostages in north western Africa and for its role in the short lived Islamist takeover of Mali The group formerly known as the Salafist Group for Preaching and Combat rebranded itself as an Al Qaida franchise in 2007 leading to speculation of a change from its Algeria centric agenda to an anti Western one This study compares and contrasts the ideas and behaviour of these two groups using a strategic cultural approach and finds that despite some commonalities AQIM has a distinct strategic culture from Al Qaida central thereby debunking the notion of Al Qaida as a monolithic movement This is the first comparative analysis of violent non state actors to employ a strategic cultural approach and the first such study on AQIM While strategic culture has traditionally been applied to states this work adds to the emerging literature applying such approaches to non state armed groups and employs a novel conception of strategic culture consisting of narratives and practices This book will be of much interest to students of strategic culture

Contemporary African American Families Dorothy Smith-Ruiz, Sherri Lawson Clark, Marcia Watson,2016-10-04 For decades the black community has been perceived both in the United States and around the world as one which thinks alike acts alike and lives alike in poor and downtrodden environments Following the persistent effects of the great recession and the American elections of 2008 now more than ever the political and socio economic state of America is crying out for this deficient and prejudiced conception to be dispelled Focusing primarily on black families in America Contemporary African American Families updates empirical research by addressing various aspects including family formation schooling health and parenting Exploring a wide class spectrum among African American families this text also modernizes and subverts much of the research resulting from Moynihan s 1965 report which arguably misunderstood the lived experiences of black people during the movement from slavery to freedom in a Jim Crow society A timely subversion of the myth that America is successfully in a post racial era this new anthology on the Black Family in America will appeal to advanced undergraduate students and research scholars interested in black studies Africana studies women and gender studies sociology political science anthropology criminal justice education psychology public policy healthy policy and social work

Africa and its Global Diaspora Jack Mangala,2017-07-12 The book presents a thorough study of the changing landscape of state diaspora relations in Africa as well as a robust analysis of diaspora engagement policies being pursued across the continent As the Africa diaspora strengthens its socio economic and political clout countries of origin in Africa have sought to engage their citizens living abroad Over the past decade the role of diaspora in the homeland development has become a core tenet of national strategies and policies Against the backdrop of expanding globalization and deepening regional integration the book presents a thorough study of the changing landscape of state diaspora relations in Africa as well as a robust analysis of diaspora engagement policies being pursued across the continent as states seek to extend rights to and extract obligations from their global citizens

At the Dawn of Belt and Road Andrew Scobell, Bonny Lin, Howard J. Shatz, Michael Johnson, Larry Hanauer, Michael S. Chase, Astrid Stuth Cevallos, Ivan W. Rasmussen, Arthur Chan, Aaron Strong, Eric Warner, Logan Ma,2018-09-24 China has always viewed itself as a vulnerable underdeveloped country In the 1990s it began negotiating economic agreements and creating China centric institutions culminating in the 2000s in numerous institutions and ultimately the Belt and Road Initiative The authors analyze China s political and diplomatic economic and military engagement with the Developing World and discuss specific countries that are

most important to China **Development Co-operation Report 2020 Learning from Crises, Building Resilience** OECD,2020-12-22 The devastating impacts of coronavirus COVID 19 on developing countries have tested the limits ingenuity and flexibility of development co operation while also uncovering best practices This 58th edition of the Development Co operation Report draws out early insights from leaders OECD members experts and civil society on the implications of coronavirus COVID 19 for global solidarity and international co operation for development in 2021 and beyond **An Uncertain Age** Paul Ocobock,2017-03-27 In twentieth century Kenya age and gender were powerful cultural and political forces that animated household and generational relationships They also shaped East Africans contact with and influence on emergent colonial and global ideas about age and masculinity Kenyan men and boys came of age achieving their manhood through changing rites of passage and access to new outlets such as town life crime anticolonial violence and nationalism And as they did the colonial government appropriated masculinity and maturity as means of statecraft and control In *An Uncertain Age* Paul Ocobock positions age and gender at the heart of everyday life and state building in Kenya He excavates in unprecedented ways how the evolving concept of youth motivated and energized colonial power and the movements against it exploring the masculinities boys and young men debated and performed as they crisscrossed the colony in search of wages or took the Mau Mau oath Yet he also considers how British officials own ideas about masculinity shaped not only young African men s ideas about manhood but the very nature of colonial rule *An Uncertain Age* joins a growing number of histories that have begun to break down monolithic male identities to push the historiographies of Kenya and empire into new territory *Agro-industrial Labour in Kenya* Gerda Kuiper,2019-05-21 This ethnography analyses labour relations within the export oriented cut flower industry at Lake Naivasha in Kenya Though this agro industry has attracted critical attention from journalists and non governmental organizations this book is the first comprehensive social scientific analysis of the industry s labour arrangements and production processes Gerda Kuiper here interprets the work on the farms as agro industrial labour a labour system characterized by high levels of discipline and a strict rhythm of work due to the demands posed by a highly perishable agricultural product This framework enables the author to draw on insights from a wide range of anthropological and sociological studies on agro industrial wage labour around the globe This mixed methods approach deployed alongside rich ethnographic detail allows the author to center the flower farm workers in her analysis **Holistic Sustainability Through Craft-Design Collaboration** Rebecca Reubens,2019-05-07 This book explores the intersection of craft design and sustainability in the developing world It argues that most sustainable design approaches and efforts fall short of implementing holistic sustainability and in order to reach this goal design must be underpinned by alternatives to the mainstream technology intensive industrial design paradigm Renewable materials such as bamboo cork and hemp which are abundantly available in the developing world have the potential to be a viable resource base for sustainable development Current sustainable design initiatives and approaches already recontextualize these materials using industrial techniques

and technologies However these efforts fall short of impacting holistic sustainability and tend to focus on the ecological aspect This book offers the development of one alternative to design for holistic sustainability called the Rhizome Approach which draws on existing sustainability praxis and craft Holistic Sustainability Through Craft Design Collaboration includes customizable tools which aim to empower designers to guide and evaluate their own designs Through these tools and the Rhizome Approach in general the book aims to enable designers and students of design to move beyond green and sustainable design to holistic sustainability design
