## **2015 2016 Budget For Limpopo:**

**Urban Geography in South Africa** Ruth Massey, Ashley Gunter, 2019-08-17 This book embraces South Africa and its place in the Global South providing a succinct theoretical and empirical analysis and discussion of urban issues in the country There have been sporadic calls from the Urban Geography community for the development of an overarching and comprehensive text that explores contemporary processes and practices taking place in urban South Africa and more widely the Global South This is an edited collection of chapters by leading urban theorists and practitioners working on various themes within urban South Africa and serves as a base for scholars and students interested in urban perspectives from countries in the Global South

**Adoption and impact of OER in the Global South** Cheryl Hodgkinson-Williams, Brazil Arinto, 2017-12-29 Education in the Global South faces several key interrelated challenges for which Open Educational Resources OER are seen to be part of the solution These challenges include unequal access to education variable quality of educational resources teaching and student performance and increasing cost and concern about the sustainability of education The Research on Open Educational Resources for Development ROER4D project seeks to build on and contribute to the body of research on how OER can help to improve access enhance quality and reduce the cost of education in the Global South This volume examines aspects of educator and student adoption of OER and engagement in Open Educational Practices OEP in secondary and tertiary education as well as teacher professional development in 21 countries in South America Sub Saharan Africa and South and Southeast Asia The ROER4D studies and syntheses presented here aim to help inform Open Education advocacy policy practice and research in developing countries

**Microbial Degradation and Detoxification of Pollutants** Maulin P. Shah, 2023-05-08 This book explores how bioremediation biotechnology is used to remove pollutants in wastewater Remediation of wastewater is important to ensure that pollutants generated in industry do not effect our environment negatively Traditional wastewater remediation is not a sustainable process however by using biological means the sustainability can be improved Both conventional methods and bioremediation technologies are discussed Applications for heavy metal nitrate and petroleum bioremediation nanotechnology in bioremediation and more are explored

**The Politics of Custom** John L. Comaroff, Jean Comaroff, 2018-03-08 How are we to explain the resurgence of customary chiefs in contemporary Africa Rather than disappearing with the tide of modernity as many expected indigenous sovereigns are instead a rising force often wielding substantial power and legitimacy despite major changes in the workings of the global political economy in the post Cold War era changes in which they are themselves deeply implicated This pathbreaking volume edited by anthropologists John L Comaroff and Jean Comaroff explores the reasons behind the increasingly assertive politics of custom in many corners of Africa Chiefs come in countless guises from university professors through cosmopolitan businessmen to subsistence farmers but whatever else they do they are a critical key to understanding the tenacious hold that traditional authority enjoys in the late modern world Together the contributors explore this

counterintuitive chapter in Africa's history and in so doing place it within the broader world making processes of the twenty first century     Towards a New Deal Rob Davies, 2021-03-15 As the world economic system stumbles as trade wars intensify and the dangers of a diminishing global multilateralism threaten Davies new book offers a unique blend of astute analysis and personal experience It is a must read Jeremy Cronin former Deputy Minister of Transport Africa's past quarter century has been shaped by the decisions and reach of one of the oldest political alliances in southern Africa that between the African National Congress and the South African Communist Party In this memoir Rob Davies one of the government's most articulate former senior ministers looks back on the politics policies and inner workings of the South African government in the democratic era He offers an insider's account of the evolution of trade and economic policy over the last 25 years up to the presidency of Cyril Ramaphosa and the global impact of the COVID 19 pandemic Leavened with intriguing anecdotes and informed by the author's very personal and humanising history of activism and exile Towards a New Deal makes the case for an economic policy transformation that is focused on creating jobs and reducing poverty that highlights South Africa's role in Africa and that addresses the challenges of economic stagnation climate change and the fourth industrial revolution It will be essential reading for economists businesspeople and ordinary readers keen to grasp the political and economic dynamics of the moment

Gómez,2018 In *Geopolitics in Health* Eduardo J G mez takes a critical look at how the emerging BRICS economies dealt with the obesity AIDS and tuberculosis epidemics Despite the countries having similar international political and economic ambitions G mez finds that domestic policy responses were driven mainly by international as opposed to domestic pressures and interests Using a theoretical framework called geopolitical positioning G mez explores how nations respond to international pressures and policy criticisms as well as offers of financial and technical assistance countries then utilize domestic policy innovations and ultimately engage in global health diplomacy in order to bolster their international reputation Publisher description **Mud to bricks: A review of school infrastructure spending and delivery** Carmen

Abdollah,Conrad Barberton,2014-07-04 The Centre for Child Law commissioned this study by Cornerstone Economic Research to track school infrastructure spending and delivery The report written by Carmen Abdollah and Conrad Barberton makes the concerning finding that the national Department of Basic Education has woefully underspent the School Infrastructure Backlog grant for two years running In 2011 2012 spending was a little over 10 per cent and only at 23 per cent in 2012 2013 at the end of the third quarter The ASIDI target for the number of schools to be built in 2011 2012 and 2012 2013 was 49 However only 10 had been completed by the end of the first year They predict that if the DBE continues at the same delivery rate a realistic timeframe for the eradication of schools with inappropriate structures is probably 2023 24 They make recommendations which if followed could shorten the delay significantly This study shows the importance of monitoring and evaluating progress against court orders and out of court settlements to ensure that the right to a basic education is made real
