Land, Law and Chiefs in Rural South Africa William Beinart,Rosalie Kingwill,Gavin Capps,2021-05-01 This edited collection illustrates contestations over land and political authority in South Africa's rural areas focusing on threats to popular rights and how they are being supported Who controls the land and minerals in the former Bantustans of South Africa chiefs the state or landholders Disputes are taking place around the ownership of resources decisions about their exploitation and who should benefit With respect to all of these issues the courts have become increasingly important The contributors to Land Law and Chiefs in Rural South Africa capture some of these intense contestations over land law and political authority focussing on threats to the rights of ordinary people History and customary law feature strongly in most disputes and succession to chieftaincy is also frequently disputed Judges have to make decisions in a context where rival claimants to property or office assert their own versions of history and custom The South African constitution recognizes customary law and the courts are attempting to incorporate and develop this branch of jurisprudence as living customary law Lawyers community leaders and academics are called on to assist in researching cases around restitution land rights and customary law The chapters in this collection discuss legal cases and policy directions that have evolved since 1994 Some chapters analyze the increasing power of chiefs in the South African rural areas while others suggest that the courts are giving support to popular rights over land and supporting local democratic processes Contributors record significant pushback from groups that reject traditional authority These political tensions are a central theme of the collection and thus serve as vital case studies in furthering our understanding of rights and restitution in South Africa

Universities, Inclusive Development and Social Innovation Claes Brundenius,Bo Göransson,José Manoel Carvalho de Mello,2016-10-25 This book examines the ways in which universities can play a crucial role in inclusive development social innovation and social entrepreneurship It aims to prove the importance of inclusive development and inclusive innovation on economic growth and

demonstrate the ways in which universities can be pioneers in this area through initiatives in social responsibility and social innovation For example providing access to a university education without discrimination of race gender income status or other factors would help to diminish the increasing income differentials currently being experienced in many countries especially in the developing world The research and studies included in this book provide insight into possible actions that can be taken by universities and public and private shareholders in inclusive development social innovation social entrepreneurship and overall regional economic and social development Innovation is currently considered to be the most important and dynamic factor explaining growth and development At the same time the traditional view considering innovation as having to be commercialized at any price is being challenged Lately there has been growing interest in innovation in the public sector particularly with respect to social innovations designed to reduce income inequality To address these concepts constant exchange of ideas and information between research groups became necessary UniDev Universities in Development the Evolving Role of Academic Institutions in Innovation Systems and Development is an international research group with researchers in twelve countries interested in the role of universities in development This book features the results of research performed by eleven research groups from UniDev country communities presenting in depth and comparative case studies from universities around the world including Latin America Northern and Eastern Europe and sub Saharan Africa This title will be of interest to students academics researchers and policy makers interested in the role of universities in development social innovation and social entrepreneurship The Fluvial Imagination Colin Hoag,2022-11-08 A free open access ebook is available upon publication Learn more at www.luminosoa.org Landlocked and surrounded by South Africa on all sides the mountain kingdom of Lesotho became the world's first water exporting country when it signed a 1986 treaty with its powerful neighbor An elaborate network of dams and tunnels now carries water to Johannesburg the subcontinent's water stressed economic epicenter Hopes that receipts from water sales could improve Lesotho's fortunes however have clashed with fears that soil erosion from overgrazing livestock could fill its reservoirs with sediment In this wide ranging and deeply researched book Colin Hoag shows how producing water commodities incites a fluvial imagination Engineering water security for urban South Africa draws attention ever further into Lesotho's rural upstream catchments from reservoirs to the soils and vegetation above them and even to the social lives of herders at remote livestock posts As we enter our planet's water export era Lesotho exposes the possibilities and perils ahead The Oxford Handbook of the Archaeology and Anthropology of Rock Art Bruno David,Ian J. McNiven,2018-10-17 Rock art is one of the most visible and geographically widespread of cultural expressions and it spans much of the period of our species existence Rock art also provides rare and often unique insights into the minds and visually creative capacities of our ancestors and how selected rock outcrops with distinctive images were used to construct symbolic landscapes and shape worldviews Equally important rock art is often central to the expression of and engagement with spiritual entities and forces and in all these

dimensions it signals the diversity of cultural practices across place and through time Over the past 150 years archaeologists have studied ancient arts on rock surfaces both out in the open and within caves and rock shelters and social anthropologists have revealed how people today use art in their daily lives The Oxford Handbook of the Archaeology and Anthropology of Rock Art showcases examples of such research from around the world and across a broad range of cultural contexts giving a sense of the art's regional variability its antiquity and how it is meaningful to people in the recent past and today including how we have ourselves tended to make sense of the art of others replete with our own preconceptions It reviews past present and emerging theoretical approaches to rock art investigation and presents new cutting edge methods of rock art analysis for the student and professional researcher alike

A Turbulent South Africa Jérôme Tournadre, 2018-03-01 Frequently praised for its democratic transition South Africa has experienced an almost uninterrupted cycle of social protest since the late 1990s There have been increasing numbers of demonstrations against the often appalling living conditions of millions of South Africans pointing to the fact that they have yet to achieve full citizenship A Turbulent South Africa offers a new look at this historic period in the existence of the young South African democracy far removed from the idealistic portrait of the Rainbow Nation Jérôme Tournadre draws on interviews and observations to take the reader from the backstreets of the squatters camps to international militant circles and from the immediate infra-political level to the worldwide anti-capitalist protest movement He investigates the mechanisms and the meaning of social discontent in light of several different phenomena These include the struggle of the poor to gain recognition the persistent memory of the fight against apartheid the developments in the political world since the Mandela Years the coexistence of liberal democracy with a popular politics found in poor and working class districts and many other factors that have played a crucial part in the social and political tensions at the heart of post-apartheid South Africa

Migration in Southern Africa Pragna Rugunanan, Nomkhosi Xulu-Gama, 2022-05-30 This open access Regional Reader proposes new ways of theorizing migration in Southern Africa by arguing that traditional western forms of theorizing do not adequately fit the South South migration context It explores the existing definitions of a migrant with a view to conceptualise a definition which will speak to the complexities envisioning a more inclusive Southern African region The book investigates the various levels of migration moving from the local rural to urban and urban to rural to cross border migration middle class versus working class migrant household livelihoods livelihoods procurement versus wage earning social capital networks and how they make meaning of their circumstances in a foreign space It also acknowledges the intertwined issues of gender and class as important in analyzing migration processes and the chapters feature both in varying dimensions As such the book provides a great resource for students academics and policy makers

Britannica Book of the Year Franklin Henry Hooper, 2016 [A Broadband Apparatus for Underserved Remote Communities](#) Christoffel Kotze, 2019-09-03 This book investigates how broadband internet can be provided to remote and isolated communities through the use of satellite and other enabling technologies in the form of a self-contained

broadband apparatus It discusses how the proposed design can help bridge the digital divide by removing one of the main hurdles to adopting technologies infrastructure In turn the book explores how the lack of infrastructure especially with regard to connectivity and electricity can be addressed by exploiting new technological advances in a number of fields notably the newly proposed large broadband satellite constellations In closing it uses concrete examples to demonstrate the potential positive impacts of a broadband ecosystem on economics governance and society and on achieving the United Nations Sustainable Development Goals

Imperial Sexism Denise M. Walsh, Associate Professor of Politics Denise M Walsh, 2025-10-03 The 1972 photograph said it all Three young Afghani women strolling in downtown Kabul wearing miniskirts The stark contrast with their 21st century burka wearing sisters was undeniable Years later many Afghani women in Kabul concealed themselves from view under sky blue cloaks that enveloped their bodies from head to toe their faces covered by a mesh screen These women lived under the threat of the Taliban an ultraconservative militant group determined to impose an austere version of Islam on the entire country During his first term President Donald J Trump showed little interest in these blue bundled women For years he had derided U S involvement in Afghanistan lambasting its expense railing against Afghanis whom he claimed hated us inveighing against the conflict as a total disaster 1 Once in the Oval Office Trump resolutely pursued an end to America s longest war Provided by publisher [Lion's Share](#) Veit Erlmann, 2022-10-28 In the aftermath of apartheid South Africa undertook an ambitious revision of its intellectual property system In Lion s Share Veit Erlmann traces the role of copyright law in this process and its impact on the South African music industry Although the South African government tied the reform to its postapartheid agenda of redistributive justice and a turn to a postindustrial knowledge economy Erlmann shows how the persistence of structural racism and Euro modernist conceptions of copyright threaten the viability of the reform project In case studies ranging from antipiracy police raids and the crafting of legislation to protect indigenous expressive practices to the landmark lawsuit against Disney for its appropriation of Solomon Linda s song Mbube for its hit The Lion Sleeps Tonight from The Lion King Erlmann follows the intricacies of musical copyright through the criminal justice system parliamentary committees and the offices of a music licensing and royalty organization Throughout he demonstrates how copyright law is inextricably entwined with race popular music postcolonial governance indigenous rights and the struggle to create a more equitable society
