Judaism, Sufism, and the Pietists of Medieval Egypt Elisha Russ-Fishbane,2015-07-30 Judaism Sufism and the Pietists of Medieval Egypt addresses the extraordinary rise and inner life of the Egyptian pietist movement in the first half of the thirteenth century The creative engagement with the dominant Islamic culture was always present even when unspoken Dr Russ Fishbane calls attention to the Sufi subtext of Jewish pietism while striving not to reduce its spiritual synthesis and religious renewal to a set of political calculations Ultimately no single term or concept can fully address the creative expression of pietism that so animated Jewish society and that left its mark in numerous manuscripts and fragments from medieval Egypt Russ Fishbane offers a nuanced examination of the pietist sources on their own terms drawing as far as possible upon their own definitions and perceptions Jewish society in thirteenth century Egypt reflects the dynamic reexamination by a venerable community of its foundational texts and traditions even of its very identity and institutions viewed and reviewed in the full light of its Islamic environment The historical legacy of this religious synthesis belongs at once to the realm of Jewish culture in all its diversity and dynamism as well as to the broader spiritual orbit of Islamicate civilization

Formation for Knowing God F. Gerald Downing,2015-04-29 God is Self Revealed we are assured by many Christians today Yet this conviction stems only from eighteenth century Enlightenment debates Early and ongoing Christians with their Jewish roots trusted God as a committed and saving but heavily clouded presence whether by God s choice or our inadequacy or both Continuing Christian tradition has thus insisted that there is much more to this God than we can hope to get our heads round Yet such Christians have trusted that this loving saving triune God s purpose is to transform us Godward The divine Word became as we are so we might become as he is Meanwhile some of us at least can find ourselves drawn to

share with our predecessors and one another in imagining how this may be And then we may be drawn to realize in practice what we imagine in active service to God among fellow humans and all God's fragile creation Then we may hope we may have been brought to know God more nearly as God is Gerald Downing first argued this fifty years ago and here he restates the issues with fresh insights and renewed hope **Handling Life's Hardships** Robert E. Joyce,2015-02-01 DETROIT PISTONS Chaplain of 22 Years HANDLING LIFE'S HARSHIPS offers you insights on what to do when you have obeyed God but still find yourself asking Where is He You will learn what to do when your faithfulness seems to be rewarded with adversity confusion and difficulty Robert Joyce reveals God's thoughts about personal hardship and answers questions that will help you in your quest to understand and persevere when things don't turn out as you have expected He explains how to process your experiences according to God's Word Rather than panic you'll understand the process God uses to develop character and integrity in our lives This book will activate your faith and encourage you to fulfill God's purpose for your life

Agents of Empire Noel Malcolm,2015-08-06 In the late sixteenth century a prominent Albanian named Antonio Bruni composed a revealing document about his home country Historian Sir Noel Malcolm takes this document as a point of departure to explore the lives of the entire Bruni family whose members included an archbishop of the Balkans the captain of the papal flagship at the Battle of Lepanto at which the Ottomans were turned back in the Eastern Mediterranean in 1571 and a highly placed interpreter in Istanbul formerly Constantinople the capital of the Eastern Roman Empire that fell to the Turks in 1453 The taking of Constantinople had profoundly altered the map of the Mediterranean By the time of Bruni's document Albania largely a Venetian province from 1405 onward had been absorbed into the Ottoman Empire Even under the Ottomans however this was a world marked by the ferment of the Italian Renaissance In *Agents of Empire* Malcolm uses the collective biography of the Brunis to paint a fascinating and intimate picture of Albania at a moment when it represented the frontier between empires cultures and religions The lives of the polylingual cosmopolitan Brunis shed new light on the interrelations between the Ottoman and Christian worlds characterized by both conflict and complex interdependence The result of years of archival detective work *Agents of Empire* brings to life a vibrant moment in European and Ottoman history challenging our assumptions about their supposed differences Malcolm's book guides us through the exchanges between East and West Venetians and the Ottomans and tells a story of worlds colliding with and transforming one another *The Ancient Path* John Michael Talbot,Mike Aquilina,2015-01-20 People often imagine that the Church Fathers looked like their icons and smelled of incense heroic figures wrapped in fine liturgical vestments of silk and lace engulfed in billows of smoke from their golden censers Yet truth be told even in their writings they resemble more the tattered cloak of Jesus or the dusty sweat soaked habits of the early Desert Fathers and Mothers Theirs is an utterly incarnational spirituality It is heaven sent but it moves forward with both feet on the ground of the earth In this powerful work John Michael Talbot tells the story of how these men deeply influenced his spiritual professional and personal life Coming to the Christian faith as a young man

during the turbulent 1960s he soon grew a fond of the Church Fathers including St Ambrose St Jerome St Augustine and Gregory the Great and found guidance reassurance and wisdom on his path to Jesus The First Epistle of Saint Peter writes Talbot tells us that we are a spiritual temple built of living stones The early Church Fathers represent the first rows built upon the foundation of the Apostles And that sacred building project continues throughout history to our time today But it rests on the Fathers It depends on them *The Problem of Perception and the Experience of God* Sameer Yadav,2015 Based on the author s thesis Th D Duke Divinity School 2014 titled The problem of perception and the perception of God John McDowell and the theology of religious experience **After** Joy Ohagwu,2015-10-01 A Christian Inspirational Fiction She had a stunning voice But he plotted her downfall and the loss of her faith When she falls before thousands will shame win Sixty thousand people watched as Candace Rodriguez literally fell off the stage while performing the national anthem wrecking more than her self esteem Is her music career over Now weighing 350 pounds and jilted by her fianc after the shame of her public fall can she find another chance at true love Will her new Christian faith anchor her future hopes Former highbrow stock trader JB Patrickson has had enough of life making mockery of his best laid out future plans His father insisted he d never make it more than selling chickn stock in Kentucky Proving him wrong JB succeeded at the NY Stock Exchange becoming one of the best US traders until the market crashed in 2008 Seven years later and mired in debt he can t shake the urge that God is leading him down a different path The path of accepting his grandmother s request to come help manage her farm couple hundred miles away despite his little to nothing knowledge about farming Has he fallen low enough to toil with his hands to eke out a single meal What future could God plan for him on a farm Twenty years after returning to the US from a fulfilling medical mission in Asia Dr and Dr Mrs Cantwell gratefully send off two sons to college purchase a flourishing twenty acre farm and prepare to settle into their empty nest stage But what will they do if God leads one more life into their path one needing stitches of the soul not of the body Can they answer His call to service or will overlooked pain from the past threaten the fragile peace they d so desperately coaxed into existence to survive together Find out how these lives intersect at the Day Spring Farms and watch what God can do to turn brokenness and shattered dreams into masterpieces **AFTER** an inspirational Novel by Contemporary Christian Fiction Author Joy Ohagwu is poised to spotlight the strength in transformation courage in love and hope in times of despair **AFTER** is book One in Author Joy Ohagwu s combined Christian Inspirational Fiction catalogue of the **After** Series the **New Beginnings** Series and the **Excellence Club** All Christian Inspirational Fiction **Christian Fruit--Jewish Root** John D.
