prevalent than might be expected We hence encourage manuscripts that address in flight medical response including the capabilities on different types of aircraft on potential interventions by crew and medical volunteers In addition aviation as a vector for the carriage of disease is a significant concern to public health and security of populations world wide and we welcome submissions regarding infectious disease epidemiology and medicine as it relates to air travel Insects and occasional unplanned travel by birds and rodents can present additional public health concerns We are approaching an era where space travel may soon be increasingly common Future flights for near Earth orbit by leisure travelers and as well as travel to the moon and Mars raise a host of new questions with health and safety implications What are the proposed health and safety accommodations going to be Who will be allowed to travel Perhaps the most interesting question is who will make the rules Flying ,1947 **Aero Digest** ,1940 American Aviation Directory ,1947 Stock Guide ,2005 Monthly statistical summary of 5100 stocks **World Aviation Directory** ,1947 Standard & Poor's Earnings and Ratings Bond Guide Standard and Poor's Corporation,1994 *Errol Flynn* Thomas McNulty,2015-05-07 Errol Flynn set the standard for the modern action hero in films like *The Adventures of Robin Hood* *Dodge City* and *The Sea Hawk* This biography follows Flynn from his birth in Tasmania Australia in 1909 to his death in Vancouver Canada in 1959 Included is analysis of his films discussion of the 1943 rape trial that changed his life a survey of the FBI s infamous surveillance and the first detailed account of his television appearances in the 1950s First hand interviews with Flynn s friends and colleagues are complemented by research from FBI files correspondence Flynn s diary and other sources Illustrated with rare and previously unpublished photographs the study also gives attention to the historical backgrounds and cultural influences that contributed to Flynn s fame the work takes an objective and analytical look at the actor s adventurous life The study includes two appendices the first is a collection of quotations from various celebrities from memories of his talent and style to anecdotes about his wild pool parties The second appendix is a filmography including all Flynn s work for film stage and television with cast and crew information **Cumulative Title Index to United States Public Documents, 1789-1976** Sandra K.
