Navigating Grace Jeff Jay,2015-08-11 A moving illustration of the power of grace to elevate us during troubling times Jeff Jay offers a soulful account of his solo sailing journey that turned into a battle for survival on the open sea Jeff Jay s recent life was full of tragedy his marriage had ended his father had passed away his brother had committed suicide and Jeff s own alcoholism had taken him to the edge of death In his desire for a fresh start Jeff set out on a solo adventure by sea on an old

sloop named Lifeboat It ultimately became a journey of personal transformation He cast off in Annapolis Maryland with an eye toward the Caribbean Finally able to breathe Jeff relaxed into his first day sailing the Atlantic when a dark winter storm descended tossing him into a week long fight for survival on the open sea As he faced the realization that only divine intervention could deliver him from certain death Jeff desperately called on the deity that had intervened in the darkest hours of his addiction years earlier An intensely personal testimony to calling on the power of grace in our darkest hours Jeff s is a beautifully written tale of far fetched dreams desperate prayers and those miraculous moments that change our lives forever
