Seven Streams Of The River Ota Robert Lepage, Eric Bernier, 1996-11-04 Of all Lepage's magic boxes this is the masterpiece Independent on Sunday Early one August morning in 1945 several kilos of uranium dropped over Japan changed the course of human history Fifty years later Hiroshima's vitality is striking the city where survival itself seemed unimaginable today incarnates the notion of renaissance Robert Lepage and Ex Machina's *The Seven Streams of the River Ota* makes Hiroshima a literal and metaphoric site for theatrical journey through the last half century In *The Seven Streams* Hiroshima is a mirror in which seeming opposites East and West tragedy and comedy male and female life and death are revealed as reflections of the same reality *Embracing the Firebird* Janine Beichman, 2002-07-31 How did a girl from the provinces meant to do nothing more than run the family store become a bold and daring poet whose life and work helped change the idea of love in modern Japan *Embracing the Firebird* is the first book length study in English of the early life and work of Yosano Akiko 1879-1942 the most famous post classical woman poet of Japan It follows Akiko who was born into a merchant family in the port city of Sakai near Osaka from earliest childhood to her twenties charting the slow process of development before the seemingly sudden metamorphosis Akiko's later poetry has now begun to win long overdue recognition but in terms of literary history the impact of *Midaregami Tangled Hair* 1901 her first book still overshadows everything else she wrote for it brought individualism to traditional tanka poetry with a tempestuous force and passion found in no other work of the period *Embracing the Firebird* traces Akiko's emotional and artistic development up to the publication of this seminal work which became a classic of modern Japanese poetry and marked the starting point of Akiko's forty year long career as a writer It then examines *Tangled Hair* itself the characteristics that make it a unified work of art and its originality The study throughout includes Janine Beichman's elegant translations of poems by Yosano Akiko both those included in *Tangled Hair* and those not as well as poems by contemporaries such as Yosano Tekkan Yamakawa Tomiko and others **11,000 Poems of Japanese Inspiration** Pasquale De Marco, 2025-04-18 11 000 Poems of Japanese Inspiration invites readers to immerse themselves in the awe inspiring beauty and captivating traditions of Japan This comprehensive guide delves into the country's diverse cultural tapestry showcasing its enchanting landscapes vibrant festivals exquisite arts and crafts and profound spiritual beliefs From the snow capped peaks of majestic mountains to the serene beauty of tranquil gardens Japan's landscapes are a testament to the power of nature The book takes readers on a visual tour of these breathtaking scenes capturing the essence of Japan's natural wonders Venturing beyond the physical realm 11 000 Poems of Japanese Inspiration explores the depths of Japanese culture It delves into the rituals and beliefs of Shintoism Buddhism and other religions that have shaped the Japanese way of life The book also examines the country's rich artistic heritage highlighting traditional crafts like pottery lacquerware and woodblock prints Furthermore the book delves into the complexities of the Japanese language literature and poetry It reveals the unique ways in which the Japanese people

Envisioning the Empress: The Lives and Images of Japanese Imperial Women, 1868-1952 Alison J. Miller,2024-12-02 Envisioning the Empress illuminates dynamic and powerful empresses who impacted not only women in their own time but whose influence extended to later generations of royalty creating a greater role for imperial women and elevating the status of women s roles at a crucial juncture in Japanese history The central focus of this book is visual monarchy exploring how the empress biographies were primarily expressed in visual culture and how their images worked in support of Japan s imperial policies in the late nineteenth and early twentieth centuries The book begins with a brief overview of premodern and modern imperial women to orient the reader In each chapter different media audiences and distribution channels for constructing the
