**Another One Bites the Dust** Chris Marie Green,2014-11-04 Jensen Murphy is back in the spooky sequel to Only the Good Die Young Some people think that ghosts are spirits that refuse to go to the other side because they have unfinished business Take my word that s true I should know I m a ghost I was an ordinary eighties California girl dead before my time until psychic Amanda Lee Minter pulled me out of the time loop where I was reliving my death over and over Now I m Jensen Murphy Ghost for Hire I decided to put my spooky talents to use in helping Amanda Lee track down bad guys and killers including my own It s taken time to figure out exactly how that will work our first case was definitely a learning experience for all involved so when a young woman asks Amanda Lee for help convincing her best friend to leave a dangerously hot tempered boyfriend I m ready and willing to use our collective powers on her behalf But some people are dangerous not only to the living especially when there are darker forces involved

Every Breath You Take Chris Marie Green,2015-04-07 The author of the Vampire Babylon series and Only the Good Die Young presents another ghost story Ever wonder what happens after you die Well as a ghost Jensen Murphy could tell you and the truth is much stranger than anything you could imagine I never accomplished much when I was alive As an average eighties California beach bum I Jensen Murphy didn t have any direction But since I ve joined Boo World I ve found a calling Now I m a supernatural investigator using my ghostly skills to spook confessions out of bad guys But being a paranormal PI is taking its toll Spirits are hounding me for justice day and night and now a ghost hunting TV show is digging up dirt on my unsavory demise that I d rather keep buried Worst of all a seriously evil specter is making my afterlife hell by hurting the people and ghosts I care about To stop him I ll need assistance from a higher power only the price I ll have to pay for that help could be my very soul
