

Identifying Narrative Perspective

Directions: Read the following passages and determine the narrative perspective, then explain how you were able to identify the point of view- if the passage is third person, explain which character's thoughts are revealed.

Narrative Perspective (point of view): first-person, second-person, third-person objective, third-person limited, third-person omniscient.

1. Sideways Stories from Wayside School by Louis Sachar

Leslie sat in front of Paul. She had two long, brown pigtails that reached all the way down to her waist. Paul saw those pigtails, and a terrible urge came over him. He wanted to pull a pigtail. He wanted to wrap his fist around it, feel the hair between his fingers, and just yank. He thought it would be fun to tie the pigtails together, or better yet, tie them to her chair. But most of all, he just wanted to pull one.

Narrative Perspective: _____

If it is third-person, which character's thoughts are revealed? _____

2. Invitation to the Game by Monica Hughes

And we scrounged. Next to *survival*, *scrounge* was probably the most important word in our new vocabulary. We found a store that was throwing out water-damaged mattresses. Getting them home was a problem, since we had to make two trips, leaving Brad and Katie, armed with sticks to guard over the remained. I truly expected them to be challenged by some gang boss, but they said that the only person who came by was a scrawny little rat of a girl living alone. We let her have one of the mattresses.

Narrative Perspective: _____

If it is third-person, which character's thoughts are revealed? _____

3. Tuck Everlasting by Natalie Babbitt

At dawn, Mae Tuck set out on her horse for the wood at the edge of the village of Treegap. She was going there, as she did once every ten years, to meet her two sons, Miles and Jesse, and she was feeling at ease. At noon time, Winnie Foster, whose family owned the Treegap wood, lost her patience at last and decided to think about running away.

Narrative Perspective: _____

If it is third-person, which character's thoughts are revealed? _____

Cinematic Narratives Of Concern: Global Perspectives In Public Discourse Dr Ruchi Goswami,2025-01-29 In the vast and ever expanding landscape of cinema where stories unfold across screens of varying sizes and cultures a remarkable phenomenon occurs Cinematic narratives often transcend mere entertainment they become potent vehicles for addressing dissecting and sometimes even resolving the most pressing concerns of our time This book *Cinematic Narratives of Concern Global Perspectives in Public Discourse* embarks on a journey to explore this intersection between cinema and public discourse where the silver screen becomes a mirror reflecting the complexities of our world In the following pages readers will encounter an array of cinematic landscapes each offering a unique lens through which to view global issues From the bustling streets of Tokyo to the desolate plains of Africa from the neon lit cities of America to the serene villages of Europe cinema traverses borders and boundaries to illuminate the shared concerns that unite humanity At the heart of this exploration lies the recognition that cinema is not merely a form of entertainment but a powerful medium for communication education and empathy Through the artful weaving of narrative imagery and sound filmmakers have the ability to provoke thought evoke emotion and inspire action on a global scale This book is not intended to be a comprehensive catalog of every cinematic narrative of concern for such a task would be as endless as the stories themselves Instead it offers a curated selection of films that exemplify the diverse ways in which cinema engages with public discourse Whether tackling issues of social justice environmental sustainability political unrest or cultural identity each film featured in these pages offers a glimpse into the complexities of our world and the myriad perspectives that shape it As readers embark on this journey through cinematic narratives of concern I encourage them to

approach each film with an open mind and a critical eye For it is through dialogue debate and reflection that we can fully appreciate the transformative power of cinema and its ability to spark meaningful change in our world Ultimately this book with 17 segments of cinema studies is a testament to the enduring relevance of cinema as a medium for exploring understanding and confronting the challenges that define our times It will serve both as a guide and an inspiration for all who seek to engage with the world around them through the lens of cinema
