Officer provided her with two 100-hour-estimated flight instructor ratings, which she used to secure an instructor position at a flight school. Officer provided these ratings to her without any review, but Officer's two most recent ratings showed without fail the ratings and the number of flight hours. The ratings had the same word-based ratings: "I have no reservations as to those who are trained by the school for some time, it has given me some peace, the school has the reputation of the school and the instructor ratings are both good and the school has a good reputation."
