

Speedball

Speedball combines rules from three different games: basketball, ultimate frisbee and soccer.

1. The game starts with a jump ball; the team that gets possession attempts to advance the ball down the court.
2. The ball can be moved in two different ways:
 - Aerial Ball – you may advance the ball as in ultimate frisbee (throwing it to teammates). You are allowed two steps and then must pass the ball to a teammate.
 - Dribble Option: players dribble the ball back and forth in their hands; once tagged, the player with possession must pass to a teammate or shoot at the goal.
 - Ground ball – you may advance the ball as in soccer. A ground ball can become an aerial ball by: (direct kick from a teammate, kick up, or catching it off the wall or bleachers)
 - If playing with the dribble option, the offensive team must pass the ball over the center line.
3. Defense – token defense; a defender is not allowed to take the ball from the offense or slap at the ball when the offense has possession. You can try to block passes.
4. Goal play – the goalie is the only player allowed to pick the ball up off the ground. The goalie can only pick up the ball on their side of the court.
5. Scoring:
 - Goal throw = 1 pt
 - Goal kick = 2 pts
 - A girl must touch the ball during a possession in order for a goal to count.
6. Out of bounds – basketball court lines serve as out of bounds. When a ball goes out of bounds a throw in is awarded.
7. Violations – traveling, touching a ground ball with hand. Other team receives possession of the ball if a violation occurs.
