Crime Buff's Guide to Outlaw Washington, DC Ron Franscell, 2012-09-04 Washington D C isn't known as the District of Crime or Murder Capital of America for nothing. Though the capital city's motto is justice for all D C has a darker side including an extensive history of crimes and misdemeanors some political and some not. The Crime Buff's Guide to Outlaw Washington D C is the ultimate guidebook to the criminal and seedy history of the nation's capital plus Maryland Northern Virginia and ironically Arlington National Cemetery. It also contains an entire chapter pinpointing key and little known sites in the Lincoln Assassination. With photographs maps directions and precise GPS coordinates this collection of outlaw tales serves as both a travel guide and an entertaining and enlightening read. It is a one of a kind exploration into well known and more obscure sites in D C that retain memories of bandits corpse snatchers murderers snipers bootleggers assassins rogue scientists spies mobsters and corrupt politicians even a legendary serial killer dressed in a bunny suit and their scandalous deeds.
