The Divorced Catholic's Guide to Parenting Lynn Cassella-Kapusinski, 2020-03-13 In *The Divorced Catholic's Guide to Parenting* Catholic author, speaker and licensed clinical professional counselor and pastoral counselor Lynn Cassella Kapusinski herself a child of divorce takes parents step by step through these challenges. Drawing on her own story and professional experience she helps Catholic parents walk with their children through the heartbreak of divorce into the healing peace and even joy that is possible in their lives. In this groundbreaking work readers will uncover the emotional effects and challenges that divorce or separation may have on children and find concrete developmentally appropriate ways to address them. Understand common problems children face as a result of coparenting difficulties or a parent's personal issues and learn how to communicate constructively about them. Navigate circumstances that arise in the later stages of divorce when a parent is absent or when one or both parents date or remarry. Explore ways to use the divorce as a Catholic teaching tool on God's forgiveness and the beauty of the Sacrament of Matrimony. Find outside resources and additional support. Throughout this book Lynn's thoughtful advice reveals how the Catholic Faith and its teachings are the key to loving your children through divorce and preparing them to live full joyful lives. I commend Lynn Cassella Kapusinski for shining light on a common but difficult to address topic. She offers wisdom for parents on how with God's grace to raise their children after the pain of separation. Not only does she communicate the teaching of the Church but she also offers insightful practical details stemming from her own experience as a counselor that will greatly benefit divorced parents in supporting and guiding their children. Archbishop Samuel J. Aquila, Archdiocese of Denver: *The Divorced Catholics Guide to Parenting* is a welcome follow up to Lynn's earlier works. Drawing from the best of the psychological sciences, the Church's teachings and her own experiences this newest addition demonstrates a thoughtful coincidence of wisdom with approachability and practicality. Lynn's book and ministry are great gifts to the Archdiocese of Baltimore and beyond. Archbishop William E. Lori, Baltimore: Lynn Cassella Kapusinski's book *The Divorced Catholic's Guide to Parenting* is an answer to the calling of the whole Christian community to accompany with attention and care those who have endured the effects of divorce. Offering professional and personal insights it is a timely resource particularly to help treat and heal the wounds suffered by the most innocent and vulnerable, the children of divorce. Archbishop Wilton D. Gregory, Archdiocese of Washington D.C.: A very impressive, easy to use guide for divorced parents to help with their children's journey. Lynn shares her experience as a child of divorce and counselor to families and provides specific tools and the gifts of our Catholic Church to minimize the trauma of divorce for children. This guide addresses any stage your family is struggling through and can be revisited as dynamics change. As a Family Therapist I recommend this book for parents who are looking for answers and support to ease the pain. Kelly Klaus, MA, LMFT, Executive Director of Catholic Divorce Ministry: A remarkable book to aid divorced parents in pastorally walking with their child who has been affected by divorce. Lynn once more writes a great resource for families who

seek healing She provides practical and poignant steps that divorced parents can take to aid their child Lynn captures the reality that it is faith in God that will be an anchor for all dealing with loss and pain Michael Donaldson MTS Parish Development Director Saint Oscar Romero Catholic Community Eastvale CA ABOUT THE AUTHOR Lynn Cassella Kapusinski LCPC NCC is a licensed clinical professional counselor pastoral counselor and a leading figure in Catholic pastoral care of children from divorced or separated families Her work has been recognized by Pope Emeritus Benedict XVI the Pontifical John Paul II Institute for Studies on Marriage and the Family the Knights of Columbus and various dioceses She has appeared on EWTN and Relevant Radio and speaks at conferences around the country

Annulment Ronald T. Smith,1995 This helpful up to date guide cuts through the red tape and the confusing terminology about annulments In simple language it provides practical information about each of the steps in the annulment process It also offers suggestions about healing the hurts of divorce and moving forward to new and healthier relationships

What God Has Joined Together Robert H. Vasoli,1998-04-16 The recent controversy over Joe Kennedy s annulment gave only a glimpse of American Catholicism s open secret that contrary to official Catholic doctrine American churches grant annulments wholesale freely declaring marriages nonexistent so that one or both partners can remarry in the church The United States is home to only 6% of the world s Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds The real scandal though is not simply the numbers but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law He shows for instance how they often help petitioners manufacture grounds for annulment which are justified with specious psychological reasoning that are counter to the letter and spirit of canon law Indeed it may even be alleged that lack of emotional maturity at the time of the wedding can invalidate marriages that have lasted 30 years The result has been a tidal wave in 1968 the American church granted fewer than 600 annulments today it hands out more than 60 000 a year But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican s highest marriage tribunal more than 90% are overturned This revealing look at annulment weaves painstaking analysis with a wealth of evidence as it illuminates the degree to which the U S Church has gone its own way since Vatican II on what constitutes valid marriage
