book A few seconds later she said Or rather every man should read the book As Paul Roazen noted in contrast to some of Freud's other followers Reik was prescient early on in distinguishing self love from narcissism Reik believed that genuine self regard was the ultimate basis for developing the capacity to love At times Reik seems to defend women at times to critique them Yet he writes with sympathy and understanding He challenges other authorities who have written on the subject but he also agrees with many of them Love and Lust is civilized writing at its most provocative Reik is authoritative and his book reflects the glow of a rich personal life
