Answer For A Kamico Test:

The Results Fieldbook Mike Schmoker, 2001-09-15 Looks at educational practices that can make an immediate and profound difference in student learning

The Results Fieldbook Michael J. Schmoker, 2001 What is the single most important event of the school year that affects school improvement How do you measure school improvement How can simple tools already at your fingertips work more effectively to improve student achievement in reading math and more The Results Fieldbook answers these questions and describes in abundant practical detail how five school systems overcame obstacles and achieved exceptional results for all their students These schools focused on the proven core concepts that Mike Schmoker described in both editions of his first ASCD book Results The Key to Continuous School Improvement Supplementing the five case studies brief vignettes written by practitioners show how core practices teamwork the use of achievement data and planning for measurable goals made an immediate and profound difference in student learning at their respective schools A close look at these school systems reveals the simplicity of school improvement efforts built around the still overlooked and most potent force in improvement collective organized teacher intelligence This book contains easily adapted processes and refinements that result from such teacher collaboration and all but guarantee measurable improvement Tables figures and appendixes illustrate effective data collection processes and at the conclusion a three part synthesis of the best of these systems provides practical steps toward implementing this radically more effective approach to school improvement starting with preservice education

Why is Corporate America Bashing Our Public Schools? Mary Kathleen Emery, Susan Ohanian, 2004 Where exactly did high stakes testing come from anyway Neither parents teachers administrators nor school boards demanded it and now many communities feel powerless to reverse its appalling effect on our schools Hot on the heels of the testing masterminds and peeling back layer upon layer of documentation Kathy Emery and Susan Ohanian found a familiar scent at the end of the paper trail Corporate money CEOs and American big business have blanketed United States public education officials with their influence and as Emery and Ohanian prove their fifteen year drive to undemocratize public education has yielded a many tentacled private public monster With stunning clarity and meticulous research Emery and Ohanian take you on a tour of board rooms rightist think tanks nonprofit concerned citizens groups and governmental agencies to expose the real story of how current education reform arose how its deceptive rhetoric belies its goals and the true nature of its polarizing and disenfranchising mission Why is corporate America bashing our schools Because it s in their interests not yours What can you do to promote your best educational interests Read this expose and get ready to dismantle the education reform machine
