The Common Core Coaching Book Laurie Elish-Piper, Susan K. L'Allier, 2014-04-24 This book provides essential coaching tools to support teachers in planning and implementing instruction aligned with the Common Core State Standards CCSS. The authors explain the key instructional shifts brought about by the CCSS in K-5 English language arts classrooms. Eighteen specific strategies for coaching large groups, small groups, and individual teachers are presented, including clear-cut procedures, vivid illustrative examples, and 26 reproducible forms. Grounded in research on adult learning, the book addresses common coaching challenges and how to overcome them. The large size format facilitates photocopying; purchasers also get access to a Web page where they can download and print the reproducible materials. This title is part of the Teaching Practices That Work Series, edited by Diane Lapp and Douglas Fisher.

Writing Strategies for the Common Core Hillary Wolfe, 2015-06-23 Elementary school students need to learn to write explanatory, informational, argument, and narrative text types and respond to literature both for standardized tests and more importantly, real-world writing. With a balanced literacy approach, Wolfe provides core instruction, teaching strategies, and mini-lessons on these text types, each of which can be delivered across content areas or as a complete unit of instruction. Mini-lessons are provided for grades 3-5 and include materials lists, overviews, planning tips, procedures, modeling, guided practice, and independent practice opportunities. Reading connections, formative assessments, and reproducible graphic organizers for scaffolding prerequisite skill overviews and rubrics, both analytic for formative assessments and holistic for summative assessments, are also provided for each unit to simplify your teaching and ensure student success.

Pitch In!, 1997 Reading textbook series organized by thematic units, utilizes award-winning unabridged trade book literature to teach reading and language arts competency to students, grades K-6.
