to many Christians It s not uncommon to hear that it s difficult to understand To complicate the matter we live in a culture that dismisses the importance of God s word altogether and we are left to wonder if Scripture has lost its impact At a time when the world needs the wisdom of God s word many are skeptical as to why they should bother reading the Bible at all Scott Womble brings hope to this bleak situation by showing how we can not only learn to read and interpret the Bible more skillfully but also enjoy our time in study In addition to discussing critical issues such as literary context genre identification and background study Womble breaks new ground by encouraging us to both hear and see the text semiotics This incorporation of semiotics into the interpretive process helps us more fully interact with the word While sound interpretation is of great importance the end goal of Bible reading is application For Womble this is the crux of the matter Scanning prominent theories of application and concluding with seven guidelines this book is sure to help Jesus followers become more intentional doers of the word

*"CURSED" WORDS FROM THE BIBLE* Elder Richard T. Avery,2024-08-19 There is an erroneous doctrine that is the result of misinterpretation and contextual errors that is gaining momentum in religious organizations The use of a peculiar verbiage that changes the narrative of the word of God is being taught from palatial mega churches to small storefront edifices The teaching of generational curses conveys the false message that born again Spirit led believers in Jesus Christ can be the recipient of generational curses In these volatile uncertain times believers are being sold biblical snake oil as an answer to why they are unable to overcome a multiplicity of failures in their lives Because of the lack of dedicated personal study of the scriptures believers are gravitating to a teaching that has changed the narrative of what Jesus Christ taught in the gospels This book is the journey of an angry rebellious teen who was indoctrinated by his mother into believing he was generationally cursed His life was in the fast lane of a highway heading in the wrong direction toward eternal destruction However Jesus Christ intervened guided him to an exit and led him to the heaven bound highway He transitioned from an incarcerated prisoner of sin to a liberated prosecutor of generational curses In a unique creative exposition Elder Richard Avery examines how from the beginning Satan uses the tactic of changing the narrative of God s word to confuses believers and corrupt their belief in the word of God With the use of contextual accuracy he prosecutes the cursed words from the

Bible that are being used to imprison those whom the Son has set free

**How to Preach the Prophets for All Their Worth** Andrew G. M. Hamilton, 2022-05-24 The Old Testament prophetic books play a key role in revealing God's plan of salvation. They occupy a significant portion of the biblical canon, similar in size to the entire New Testament. Yet most believers stay clear of this part of Scripture. They avoid traveling through this forest of oracles and visions. Many preachers also struggle to navigate this unfamiliar territory. Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books. The church, however, needs to hear and respond to the beauty, depth, and relevance of the prophetic message. This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers, small group leaders, youth workers, etc. to communicate the message of the prophets with hermeneutical precision, theological depth, genre sensitivity, and pastoral pulse. This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word.
