detail on the features of the book can be found below

Structure of each page Each page is designed to cover a single grapheme spelling pattern and begins with a Teaching Tip which explains the spelling rule being covered on that page if there is a spelling rule Children are then presented with a list of words to learn that follow the relevant spelling rule Each word is either presented with a colorful child friendly image or in a sentence to help the children to understand what the word means Words given in sentences are words that were covered in our Kindergarten book and which are revised in our 1st Grade book

Structured Teaching Sequence Children are only introduced to one new grapheme at a time For example the word wrong would not be used to teach the pattern ng if the spelling pattern of wr had not been taught previously

Multisensory Children are encouraged to say the letters aloud as they spell auditory and to join the letters kinaesthetic The online games also allow children to learn the spellings by seeing them by hearing audio of them and by typing them Learning spellings in a multisensory way gives children the best chance of remembering them Multisensory methods are also widely accepted as being most effective for dyslexic children

Spelling rules explained at the top of each page if there is a rule This helps children to apply the rule to other words too not just to the specific words on the page

Irregular words are highlighted in red with the irregular letters underlined This prevents children from generalizing incorrectly from irregular words and draws their attention to the tricky letters

Pen lifts after each syllable Breaking longer words into syllables helps children to spell them

Encouraging self checking Children checking their own work for errors makes them more likely to remember these and is less damaging for their self esteem than adult correction
