you do *Becoming a Teacher of Writing in Elementary Classrooms* Donna Kalmbach Phillips, Mindy Legard Larson, 2015-12-22 *Becoming a Teacher of Writing in Elementary Classrooms* nurtures teachers' identities as writers, connects to the realities of writing instruction in real and diverse classrooms and encourages critical and creative thinking. This text is about writing instruction as a journey teachers and students embark on together. The focus is on learning how to teach writing through specific teaching and learning structures found in the Writing Studio: mini lessons, teacher and peer conferencing, guided writing and sharing, celebrating and broadcasting writing. Pedagogical features include teaching structures and strategies, Problematising Practice, classroom scenarios, assessment resources and a Companion Website. Because a teacher who views him or herself as a writer is best positioned to implement the Writing Studio, a parallel text *Becoming a Writer* gives readers space to consider who they are as a writer, their personal process as a writer and who they might become as a writer. *Optimizing Elementary Education for English Language Learners* Guler, Nilufer, 2018-01-30 Teaching English language learners has long presented challenges for teachers tasked with bringing these students to a level of language comprehension comparable to that of native speakers. These challenges and issues can lead to difficulty comprehending core academic topics for those learning the English language. *Optimizing Elementary Education for English Language Learners* is a critical scholarly publication that explores the importance of English as a Second Language (ESL) education as well as the challenges that can arise in striving for effective and engaging learning environments for the students involved. Featuring a broad scope of topics such as effective lesson plans, teacher education and preparation and the education achievement gap, this book is geared toward academicians, practitioners and researchers seeking current research on effective teaching strategies for teachers of English language learners. **Educational Research Bulletin**, 1929 Includes the sections Educational readings and Books to read. **Collaborative Teaching in Elementary Schools** Wendy W. Murawski, 2010 Using marriage as a metaphor, this lighthearted, highly practical and teacher-friendly resource helps general education teachers and special service providers successfully set up, conduct and maintain co-teaching partnerships. *Great Performances* Larry Lewin, Betty Jean Shoemaker, 2011 The authors share what they've learned about developing and assessing powerful performance tasks ranging from short and specific to lengthy and substantive. **Historical Information and Judgment in Pupils of Elementary Schools** Marvin James Van Wagenen, 1919 **That's a Great Answer!** Dr. Nancy Boyles, Nancy N. Boyles, 2012 The ability to comprehend and to respond meaningfully to text is a skill students need every day, not just on test day. *That's a GREAT Answer!* provides complete and ready-to-go support to help teachers get great answers to open-ended comprehension questions from the students who need help the most: elementary students, struggling older readers and English language learners. In this revised second edition, Nancy Boyles now includes new Common Core State Standards-based objectives, step-by-step lesson sequences, collaborative tasks that link teaching to learning, insightful new teaching tips, updated and enhanced bibliographies and student targets on the CD that specify how to
