Wiers, Alan W.

Stacy,2006 This book is a valuable source for both researchers and practitioners who are either familiar or unfamiliar with implicit cognition and addiction Emmanuel Kuntsche ALCALA Most research on cognitive processes and drug abuse has focused on theories and methods of explicit cognition asking people directly to introspect about the causes of their behavior However it may be questioned to what extent such methods reflect fundamental aspects of human cognition and motivation In response to this issue basic cognition researchers have started to assess implicit cognitions defined as introspectively unidentified or inaccurately identified traces of past experience that mediate feeling thought or action Such approaches are less sensitive to self justification and social desirability and offer other advantages over traditional approaches underscored by explicit cognition Wiers Handbook of Implicit Cognition and Addiction lays the groundwork for new approaches to the study and addictive behaviors as the first handbook to apply principles of implicit cognition to the field of addiction This Handbook features the work of an interdisciplinary group of internationally renowned contributing North American and European authors who have brought together developments in basic research on implicit cognition with recent developments in addiction research Key Features Moves the field forward by integrating cutting edge research from formerly independent disciplines that help provide a better understanding of the etiology prevention and treatment of addictive behaviors Lays the groundwork for new approaches to the study and treatment of addictive behaviors as the first handbook to apply principles of implicit cognition to the field of addiction Presents existing applications to the prevention and treatment of addictive behaviors as well as possibilities for future interventions based on new approaches based on implicit cognition Opens with a chapter written by the volume editors that outlines general theoretical issues and provides a roadmap to the book Provides integrative summaries written by both insiders and outsiders to the field in a final section highlighting theoretical issues currently being debated within this newly emerging area of scholarship This Handbook is a unique invaluable addition to libraries as well as to the collections of academics students and professionals interested in how cognitive research can contribute to the understanding prevention and treatment of addictions Making Art Together Mark Cooper,Lisa

Sjostrom,2007-08-01 Artist Mark Cooper aims to change the way you think about making art with kids Working with schools around the country Cooper has brought together scores of teachers and hundreds of children to make remarkable collaborative art that has enlivened classrooms and public spaces and been displayed in the nation s most prestigious museums In this inspiring practical idea filled book Cooper shows how any teacher not just art teachers can imagine and execute similar projects in their own classrooms But more than that Cooper transforms our sense of possibilities arguing for a new view of art in schools Making Art Together is a book about art education structured around big ideas that adults can flourish in the role of Master Artist that the perspective of contemporary art offers liberating possibilities for rethinking art in schools that art can and should be about the larger world and thus naturally ties in to all areas of the curriculum Most of all Cooper shows us the power of collaboration From mammoth freestanding sculptures to billboards against violence to maps of

the world the projects here are all planned designed and completed by children themselves The resulting artwork is complex and ambitious on a scale that would be out of reach for any individual child Working collaboratively using a distinctly democratic model kids actually think and work like adult artists throughout every stage of the project Together the sky s the limit the artistic and educational opportunities are boundless Making Art Together is a bold beautifully illustrated book that could at a time when art budgets are being slashed revitalize our sense of what art in schools can accomplish *Debt-Free Art Degree: Foundations in Drawing* Marco Bucci,2024-11-12 An essential guide for a new generation of artists to learn professional level art skills no student loan required Now a successful artist illustrator and YouTube star Marco Bucci once thought you had to be born with art talent and go to an expensive art school to have a career in art Unfortunately he couldn t draw and didn t get into art school but he heard that drawing was something you could learn anyway so he set off on a self guided journey of becoming an artist In *Debt Free Art Degree Foundations in Drawing* Marco shares what he learned to help you become a successful artist without experiencing the same false starts and setbacks he did With QR codes to video demonstrations to solidify your understanding of the techniques and concepts this accessible yet comprehensive guide offers Affordable high level art instruction for serious beginners and seasoned artists seeking skill enhancement or a career in art A logical curriculum that avoids information overload Connected lessons exercises and demonstrations that pave the way to strong drawing skills Instruction on essential art principles such as working with 2D and 3D shapes gesture form color and more Advice and encouragement to develop your personal artistic vision while building foundational skills *Debt Free Art Degree Foundations in Drawing* is your gateway to a thorough and budget friendly art education While you won t have a diploma to hang on your wall you will have all the tools you need to create incredible art **Bruce's School Shop Annual**,1930 **Interior Design Masters** Mark Hinchman,Elyssa Yoneda,2018-06-27 *Interior Design Masters* contains 300 biographical entries of people who have significantly impacted design They are the people historical and contemporary that students and practitioners should know Coverage starts in the late Renaissance with a focus on the twentieth and twenty first centuries The book has five sections with the entries alphabetical in each so it can serve as a history textbook and a reference guide The seventeenth and eighteenth century section covers figures from Thomas Chippendale to Horace Walpole The nineteenth century section includes William Morris and Candace Wheeler The early twentieth century section presents modernism s design heroes including Marcel Breuer Eileen Gray and Gilbert Rohde The post World War II designers range from Madeleine Castaing to Raymond Loewy The final contemporary section includes Ron Arad and the Bouroullec brothers These are the canonical figures who belong to any design history The book also contains less well known figures who deserve attention such as Betty Joel the British art deco furniture designer Paul Veyseyre the Frenchman active in China in the 1930s and more recently Lanzavecchia Wai the Italian Singaporean duo whose work ranges from health care to helicopters Global in its coverage the book is richly illustrated with over 600 black and white and color photographs **Digital Photo**
