Sessler,Nilda Sessler,2006 Provides a buyer s guide for the Ford Mustang This book includes chapters on engine drivetrain bodywork interior and detailing It also includes a CD ROM with photographs from the author s personal collection of Ford Mustang photographs **Big Week** James Holland,2022-03-30 A history of World War II s Operation Argument in which US and British air forces led a series of raids against Nazi Germany in 1944 During the third week of February 1944 the combined Allied air forces based in Britain and Italy launched their first round the clock bomber offensive against Germany Their goal to smash the main factories and production centers of the Luftwaffe while also drawing German planes into an aerial battle of attrition to neutralize the Luftwaffe as a fighting force prior to the cross channel invasion planned for a few months later Officially called Operation Argument this aerial offensive quickly became known as Big Week and it was one of the turning point engagements of World War II In Big Week acclaimed World War II historian James Holland chronicles the

massive air battle through the experiences of those who lived and died during it Prior to Big Week the air forces on both sides were in crisis Allied raids into Germany were being decimated but German resources fuel and pilots were strained to the breaking point Ultimately new Allied aircraft especially the American long range P 51 Mustang and superior tactics won out during Big Week Through interviews oral histories diaries and official records Holland follows the fortunes of pilots crew and civilians on both sides taking readers from command headquarters to fighter cockpits to anti aircraft positions and civilian chaos on the ground vividly recreating the campaign as it was conceived and unfolded In the end the six days of intense air battles largely cleared the skies of enemy aircraft when the invasion took place on June 6 1944 D Day Big Week is both an original contribution to WWII literature and a brilliant piece of narrative history recapturing a largely forgotten campaign that was one of the most critically important periods of the entire war Praise for Big Week An Amazon Best Book of the Year With the aid of diaries memoirs and his own interviews Mr Holland gives a detailed crewman s eye view of combat from inside the British American and German aircraft during the months leading up to Big Week and during the week itself For those hoping for war movie stuff rest assured that the enemy fighters do come in at 6 o clock the guns do hammer the sun does glint and the chutes do blossom in the sky Still it s a serious and important story as well as a dramatic one and Mr Holland tells it with verve and authority David A Price Wall Street Journal Highly detailed The interplay of personal stories with the broader strategic picture makes this book especially illuminating A fascinating must read for World War II aficionados Kirkus Reviews starred review
