Active Ageing? Perspectives from Europe on a Vaunted Topic Maria Luisa Gomez Jimenez, 2014-04 *Human Growth and Development in Adults* Jonathan Parker, Sara Ashencaen Crabtree, 2020-05-20 Uniquely wide ranging in its coverage of key concepts themes and issues relating to human growth and development in adults this textbook explores the crucial challenges and transitions that adults negotiate in their lives It examines key topics and issues within professional practice with adults and their families covering a wide range of practice areas and fusing essential theory and research with practical application Drawing on insights and debates from across sociology psychology criminology and aligned disciplines this textbook is thoughtfully structured to provide an accessible and supportive resource Key features include chapter by chapter summaries case studies and practice examples active learning activities to consolidate knowledge a broad range of tools to develop critical thinking and reflective practice With a companion volume that addresses children and young people this is an essential tool for students and a valuable refresher resource for experienced practitioners **Islam and Social Work**

Crabtree, Sara Ashencaen, Husain, Fatima, Basia Spalek, 2016-12-07 Social services have typically addressed equality and diversity issues through the lens of race and ethnicity while the faith identities of minority ethnic communities have been largely bypassed But in our contemporary world there is a strong need for policies and services that are sensitive to faith in general and to Islam in particular This unique book enables social work practitioners to gain a deeper understanding of how Islamic principles inform and influence the lives of Muslim populations Designed to support work with families and faith communities it examines religious precepts cosmologies philosophies and daily practices while acknowledging cultural variants and population heterogeneity The second edition includes a comprehensive update of the research literature detailed description and explanation of contemporary social work practice with Muslim service users using an updated and expanded collection of international case studies and new sections on religious extremism aging and end of life care The only book specifically addressing social work with Muslim communities *Islam and Social Work* provides an essential toolkit for culturally sensitive social work practice *Social Work with Disadvantaged and Marginalised People* Jonathan Parker, Sara Ashencaen Crabtree, 2017-10-30 Social workers whatever their specialism practise with people at the margins of society It is therefore essential that all social work students not only understand the powers and processes that lead to disadvantage and marginalisation but develop the knowledge and skills needed to bring about change and uphold social justice in all aspects of their professional practice Split into three parts this book considers what is meant by disadvantage and marginalisation how this can come about and the impact this may have on lives before unpicking the key knowledge and skills needed to practice effectively with individuals and groups It then goes on to show what good ethical and reflective practice looks like going step by step through the ins and outs of using the law and policy to bring about change before considering key ethical dilemmas in practice **Social Work Practice with Adults** Sally Lee, Louise Oliver, 2023-04-19 This book will provide you with the

initial developing knowledge and skills needed to practice ethically and effectively in diverse settings with a range of adults
Written in collaboration with service users carers and practitioners its unique collaborative approach will enable you to learn from real lived experience Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice
