Exploring Play in the Primary Classroom Gill Beardsley, Penelope Harnett, 2013-11-26 First Published in 1999 This innovative series is an ideal means of supporting professional practice in the post Dearing era when a new focus on the quality of teaching and learning is possible The series promotes reflexive teaching and active forms of pupil learning Using a number of case studies this book explores the authors fascination for the ways in which children use imaginative play to explore their ideas about the world In pretend play and drama activities they often re enact their experiences coming to terms with cognitive challenges which they might not otherwise resolve

Primary Design and Technology for the Future Alan Howe, Dan Davies, Ron Ritchie, 2013-10-18 This is a challenging new book for primary teachers interested in developing their teaching of Design Technology subject leaders in D T and for student teachers choosing this as their specialty It will also appeal to in service providers and LEA advisory staff Children s creativity cultural development and citizenship are important but currently underdeveloped in primary education This book uniquely focuses on how these aspects can be emphasized in the teaching of Design and Technology The National Curriculum has the potential to bring creativity cultural development and citizenship into the mainstream and the authors show the considerable extent to which D T integrated with other curriculum subjects can contribute to realizing these goals There are examples throughout of best current practice showing how such ideas have

been implemented **Logo** D Lamont Johnson, Cleborne D Maddux, 1997-12-30 In *Logo A Retrospective* you'll look back and see why attempts to teach Logo in American schools failed the first time it was introduced and you'll learn what you can do so educators don't make the same mistake again. You'll explore how teachers can sidestep the all too familiar cycle of zealous overselling, eventual disappointment, backlash and abandonment that undermined Logo's first appearance in American school curricula. Of particular interest to teachers, parents, computer programmers and members of the general public, *Logo A Retrospective* thoroughly and more accurately outlines Logo's philosophical and theoretical framework and shows you how you can play a part in the current Logo renaissance already thriving in Australia, Latin America and Europe. Specifically, this book contains a decade's worth of scholarly research on Logo information concerning Logo's future and evolution, strategies for handling student autonomy and teacher intervention, recent software design data and feedback for learning Logo, new research on computer programming's effects on children's cognitive development. Without a doubt, computers and other electronic media will be a vital source of learning in the classrooms of the future. The development of powerful new versions of the Logo language such as *MicroWorlds* is welcome evidence that Logo's popularity is on the rise. So put the past behind you. Read *Logo A Retrospective* and see what's presently giving schoolchildren all over the world a fresh headstart at their classroom computer terminals. **The Writers Directory**, 2013 **Activities Based on The Lighthouse Keeper's Lunch by Ronda and David Armitage** Sarah Snashall, 2015 Part of the Read Respond series, this book provides teachers with everything they need to share *The Lighthouse Keeper's Lunch* with their class. [The Little Book of Story Bags](#)

Marianne Sargent, 2015-06-04 Reading stories is an invaluable experience for young children, helping them to develop a wide range of important skills. As well as developing listening skills, children who have regular access to stories develop an awareness of story structure, character and setting. They also begin to understand the concept of letter sounds and words printed on the page and increase their vocabulary. Offering opportunities for active, involved, cross-curricular learning, story bags help bring stories to life and offer practical ideas that serve the differing interests and learning styles of young children.

The Oxford History of New Zealand Literature in English Terry Sturm, 1998 This is the most comprehensive history of New Zealand literature to have been published. It offers chapters on the novel, poetry and on the short story, which have been the staple of earlier histories and surveys, as well as sections on drama, non-fiction, children's literature, popular literature and the history of publishing, patronage and literary magazines. In this major new edition, material is provided on the period from 1986-1996 and a new chapter has been included on literary scholarship, criticism and theory. [Drama and Writing Ages 5-11](#) Lorraine S. Harrison, 2023-03-22 *Drama and Writing Ages 5-11* is a practical guide for teachers to develop and inspire writing through using drama in the classroom. Each of the ten chapters provides step-by-step guidance and creative prompts for writing that apply to both key stage one and key stage two, enabling teachers to motivate their pupils by creating meaningful contexts, audiences and purposes to encourage writing. With a wide range of ideas to apply to the

classroom from simple classroom strategies to more complex units of work this book is suitable for all teachers including those who hold limited experience of using drama in the classroom Including key definitions of drama strategies and practical advice to apply to the classroom chapters are presented in two parts Part I provides short and simple drama strategies to act as a helping hand stimulating the focus of a writing lesson Part II provides longer dramatic contexts with a compelling sense of audience and purpose including a range of opportunities for writing These prompts may span two or more lessons Drama and Writing Ages 5 11 is an essential read for any primary school teacher seeking practical strategies to incorporate drama into the classroom teaching the craft of writing in a creative fun and meaningful way
