DAT

Bootcamp

Standard scores are rounded to the nearest whole number. For Reading Comprehension, Biology, General Chemistry, and Organic Chemistry, the scores are based on all 100 questions in the subject area. For Perceptual Ability, the score is based on all 100 questions in the subject area. It is not the average of the three subject areas.

The Academic Average score indicates what percent of examinees scored at or below the examinee's score.

The score indicates what percent of examinees scored at or below the examinee's score.

Only one report of scores will be sent to the dental school. A report of scores will be sent to the dental school.

Before official DAT scores are distributed to dental schools, the DAT Program audits all responses to items in order to confirm the accuracy of the scores.
