Making Sense of Modern Times James Davison Hunter, Stephen C. Ainlay, 2024-04-01 Peter Berger 1929 2017 was one of the pre eminent sociologists of the twentieth century His highly creative and controversial writing made a distinct impact not only in sociology but in such disciplines as political science public policy history religious studies and theology Originally published in 1986 Making Sense of Modern Times shows how Peter Berger struggled with the classical legacy of the sociological enterprise a legacy abandoned by contemporary sociology Berger made a self conscious effort to recover this vision Each of the four sections of the book Social Theory Modernization Religion The Method and Vocation of Sociology contains essays which examine Berger's efforts in the light of these broader issues and assess the degree to which Berger succeeds or fails in his efforts The book includes a contribution from Berger himself responding to the preceding essays as well as presenting his own appraisal of the future of interpretive sociology The American Vision, Modern Times, Reading Essentials and Study Guide, Workbook McGraw-Hill, 2005-06-10 The Modern Schoolman, 1965 Jewish Migration in Modern Times Semion Goldin, Mia Spiro, Scott Ury, 2020-06-09 This collection examines various aspects of Jewish migration within from and to eastern Europe between 1880 and the present It focuses on not only the wide variety of factors that often influenced the fateful decision to immigrate but also the personal experience of migration and the critical role of individuals in larger historical processes Including contributions by historians and social scientists alongside first person memoirs the book analyses the historical experiences of Jewish immigrants the impact of anti Jewish violence and government policies on the history of Jewish migration the reception of Jewish immigrants in a variety of centres in America Europe and Israel and the personal dilemmas of those individuals who debated whether or not to embark on their own path of migration By looking at the phenomenon of Jewish migration from a variety of disciplinary perspectives and in a range of different settings the contributions to this volume challenge and complicate many widely held assumptions regarding Jewish migration in modern times In particular the chapters in this volume raise critical questions regarding the place of anti Jewish violence in the history of Jewish migration as well as the chronological periodization and general direction of Jewish migration over the past 150 years The volume also compares the experiences of Jewish immigrants to those of immigrants from other ethnic or religious communities As such this collection will be of much interest to not only scholars of Jewish history but also researchers in the fields of migration studies as well as those using personal histories as historical sources This book was originally published as a special issue of East European Jewish Affairs **Epic Ambitions in Modern Times** Robert Crossley, 2022-08-16 Epic Ambitions in Modern Times explores how artists in varied genres and media have aimed for in Milton's phrase things unattempted yet in epic creation Starting with the last books of Paradise Lostas a farewell to the

ancient tradition of epic and extending to an assessment of four twenty first century women writers retelling canonical epics in the voices of marginalized characters the book s intervening chapters consider epic in the forms of an epistolary novel a work of history a poetic autobiography an opera a silent film a series of paintings two literary fantasies three poems set in the American Vision, Unit 9 Resources McGraw-Hill Staff,2002-05 Children's Books in Print, 2007 American Defense Policy Paul J. Bolt, Damon V. Coletta, Collins G. Shackelford, Jr., 2005-06-24 American Defense ,2006 Policy has been a mainstay for instructors of courses in political science international relations military affairs and American national security for over 25 years The updated and thoroughly revised eighth edition considers questions of continuity and change in America's defense policy in the face of a global climate beset by geopolitical tensions rapid technological change and terrorist violence On September 11 2001 the seemingly impervious United States was handed a very sharp reality check In this new atmosphere of fear and vulnerability policy makers were forced to make national security their highest priority implementing laws and military spending initiatives to combat the threat of international terrorism In this volume experts examine the many factors that shape today s security landscape America s values the preparation of future defense leaders the efforts to apply what we have learned from Afghanistan and Iraq to the transformation of America's military reflection on America's nuclear weapons programs and missile defense the threat of terrorism and the challenges of homeland security which are applied to widely varied approaches to national defense strategy. This invaluable and prudent text remains a classic introduction to the vital security issues facing the United States throughout its history and breaks new ground as a thoughtful and comprehensive starting point in understanding American defense policy and its role in the world today

The New guarterly review, and digest of current literature, 1853 The Anatomy of Consumerism H. RamHormozi, 2019 The Anatomy of Consumerism is a story of greed and obsession and consumption Of waste and environmental degradation Of destruction and despair It is the story of being human In this earnest account of a serious problem in which we are all implicated we come to terms with our collective obsession with material consumption The Anatomy of Consumerism tracks this consumption from the Industrial Revolution through a ravenous stretch of excessive production and acquisition all the way to our digital present a period during which we overconsume as a matter of course and visit irreparable damage on our natural environment as a result It is no wonder the consequences of human greed fester so hotly in debate among economists social scientists and environmentalists The Anatomy of Consumerism wades into this debate s center Review of Reviews Albert Shaw, 1916 Critical Times in Curriculum Thought Marcella L. Kysilka, 2011-05-01 This book is designed to be used at a master s level for a degree in curriculum and instruction teacher education or educational leadership It could be used as a primary or a supplementary text The book is divided into three parts The first section focuses on the contributions of noted educators to the field of education Florence Stratemeyer Haberman and Corrigan Hilda Taba Barbara Stern Alice Miel Jennifer Deets Booker T Washington Karen Riley Ralph Tyler Gerald Ponder and Dixie Massey and John Dewey William Schubert and Heidi Schubert The authors of these chapters focused on contributions that were less known but particularly important in thinking about education The second section of the book focuses on curriculum movements that were politically motivated and their impact on curriculum applications in the schools Cold War Sputnik Peggy Moch Civil Rights William Ayers Women s Rights Susan Brown Bilingual multicultural education Gloria Contreras and Ron Wilhelm and the growing economic divide William Watkins The last section of the book provides perspectives on factors that affected curriculum implementation as seen through the eyes of authors who have done considerable research in these areas Social Justice William Gaudelli and Dennis Urban Integrated Curriculum Lynne Bailey The Comprehensive High School Marcella Kysilka Technology in the Curriculum Gretchen Schwarz and Janet Dunlop and Inclusive Curriculum Allison Dickey The book could be used in Alternative Certification Programs as well as the chapters focus on issues that are common in the public school sector The chapters are short and meaty and provide a thorough understanding of the people politics and perspectives of the times Pluralism, Democracy and Political Knowledge Hans Blokland, 2016-04-22 The political discontent or malaise that typifies most modern democracies is mainly caused by the widely shared feeling that the political freedom of citizens to influence the development of their society and related to this their personal life has become rather limited We can only address this discontent when we rehabilitate politics the deliberate joint effort to give direction to society and to make the best of ourselves In Pluralism Democracy and Political Knowledge Hans Blokland examines this challenge via a critical appraisal of the pluralist conception of politics and democracy This conception was formulated by above all Robert A Dahl one of the most important political scholars and democratic theorists of the last half century Taking

his work as the point of reference this book not only provides an illuminating history of political science told via Dahl and his critics it also offers a revealing analysis as to what progress we have made in our thinking on pluralism and democracy and what progress we could make given the epistemological constraints of the social sciences Above and beyond this the development and the problems of pluralism and democracy are explored in the context of the process of modernization The author specifically discusses the extent to which individualization differentiation and rationalization contribute to the current political malaise in those countries which adhere to a pluralist political system A Critical Discourse Study of the "Chinese Dream" Junchen Zhang, 2024-11-29 Zhang s book focuses on the analysis of the sociohistorical context linguistic patterns of discursive construction and media representations of the Chinese Dream in Mainland China Hong Kong and the United States Analyzing data from the Chinese leader's speeches and articles from China Daily the South China Morning Post and the New York Times the author provides insights into the understanding of contemporary Chinese society through a critical discourse analysis of the Chinese Dream and its mediatized construction Focusing on the discursive construction the book examines the Chinese leader Xi Jinping s narratives on the Chinese Dream from multidimensional perspectives such as thematic representations discursive strategies and narrative frames which emphasize the overall structure of the Chinese Dream as a political discourse Methodologically Zhang combines a discourse historical approach corpus linguistics and framing analysis into a complementary framework which draws merits from the three approaches This innovative research volume will be of interest to academics researchers and students in the fields of discourse analysis political research Chinese politics and East Asian studies
