Teaching for Dissent Sarah Marie Stitzlein, 2015-11-17 Teaching for Dissent looks at the implications of new forms of dissent for educational practice The reappearance of dissent in political meetings and street protests opens new possibilities for improved democratic life and citizen participation This book argues that this possibility will not be fulfilled if schools do not cultivate the skills necessary for our citizens to engage in political dissent The authors look at how practices in schools such as the testing regime and the hidden curriculum suppress students ability to voice ideas that stand in opposition to the status quo Teaching for Dissent calls for a realignment of the curriculum and the practices of schooling with a guiding vision of democratic participation *Asian/American Curricular Epistemicide* Nicholas D. Hartlep, Daniel P. Scott, 2016-08-18 In

this important book Nicholas Hartlep and Daniel Scott s detailed analyses on both visual and historical representations of Asian Americans in textbooks and teacher manuals used in our elementary and secondary schools poignantly tell us that generations of children are growing up being fed this single story about Asian Americans As Hartlep and Scott write Asian Americans have once again been constructed as the good minority that can succeed on their own and be used as a political instrument to shame the Blacks for their underachievement and their fight for equality Over and over again the media has been telling a single story about Asian Americans to the public for the past fifty years The consequence of this fabricated story is that it discourages others even Asian Americans themselves from believing in the validity of their struggles Linshi 2014 p 1 *Sherwood Anderson's Pan-American Vision* Celia Catalina Esplugas, 2017-10-27 Based on an analysis of

Sherwood Anderson s letters this study explores the novelist s principal inspiration during his final years 1938 1941 his exposure to Latin America Thematically arranged correspondence traces his positive reception in South America a place he saw as a source of fresh ideas and publishing opportunities his desire to promote cultural relations between the two Americas and his legacy among Spanish speaking readers The author discusses the political and economic climates of mid 20th century South American nations their emerging liberal ideologies and the concerns Latin American readers had regarding societal upheaval urbanization and the inequities of capitalism all vividly depicted in Anderson s works

American Vision Teacher's Classroom Resources McGraw-Hill Staff, 2002-09-01 **Biblical Preaching and Teaching Volume 1** Dallas R. Burdette, 2009-08 One objective of this book is to set forth the heart of God s Gospel This volume is composed of a compilation of sermons and in depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another Since the Cross of Christ is pivotal to a proper understanding of Christianity numerous chapters in this book explore the ins and outs of the importance of the Cross in the lives of God s people Not only does this book focus upon the scheme of God s redemption and evangelism as a part of every believer s ministry it also calls attention to Christian apologetics that is a defense of Christianity Three chapters are devoted to this kind of study 1 Christianity versus Skepticism 2 Credibility and Candor of the New Testament Writers and 3 Paul s Conversion Apologetic for

Christianity Also this book allocates three chapters to the subject of baptism and its meaning to God s children And finally four chapters are dedicated to a detailed study of worship within the Christian community Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website www.freedominchrist.net He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

Dieter Misgeld Hossein Mesbahian,Trevor Norris,2017-04-17 Professor Dieter Misgeld taught Philosophy of Education at the University of Toronto for over 30 years His retirement lent occasion for a series of lengthy interviews ranging from his years in Heidelberg where he studied philosophy in its history based on philosophical hermeneutics with Gadamer participated in debates about Hegel with Heidegger and saw Habermas begin his career to his interest in Richard Rorty encounter with Buddhism and reflections on global politics and the new security regime With Dieter Misgeld we see the seductions of philosophy when studied among this centuries greatest practitioners What emerges in the book is a pedagogy of hope based on Misgeld s own utopian aspirations emancipatory politics and caution about philosophy Misgeld argues that philosophy is no longer helpful for any project of social and political change that the problems of the world today are political rather than philosophical Thus it is political engagement rather than philosophical reflection that is called for Considering the stature of his teachers and the depth of his own philosophical capabilities his insistence on the

limitations of philosophy compels us to reflect on our own assumptions about the promise of philosophy What emerges is the grounding of thought in the personal character of philosophical reflection and the drama of ideas as they unfold throughout a lifetime
