Cultural Governance and Resistance in Pacific Asia William A. Callahan, 2006-05-03 This text examines the politics of culture and the culture of politics in Pacific Asia through case studies on the South Pacific, China, South Korea, Thailand, and Southeast Asia. The contexts and cultures of the chapters are wide-ranging, and Callahan skillfully ties them together with the objective of analyzing the relation between the state's cultural governance and resistance to it. The themes covered include governmentality and cultural production, popular culture and resistance, East-West relations, gender, identity, and democracy, civil society, social movements, and democracy, national and transnational identity, production. *Cultural Governance and Resistance in Pacific Asia* addresses the dynamics between Asian studies and cultural studies and the overlap between comparative politics and international relations and, as such, will appeal to students and scholars of Asian studies, cultural studies, comparative politics, sociology, and anthropology alike.

American Illustrated Magazine, 1914 *The Pageant of American History* Gerald Leinwand, 1975 A textbook outlining the history of the United States, emphasizing its role as an urban nation of immigrants and migrants. *American Magazine*, 1914 *The New York Times Index*, 1914 *Shakespeare's Tercentenary* Monika Smialkowska, 2023-12-21 The worldwide commemorations of the three hundredth anniversary of Shakespeare's death were held amid the global upheaval of the First World War. As empires battled for world domination and nations sought self-determination, diverse communities vied to claim

Shakespeare as their own to underpin their sense of collective identity and cohesion Unearthing previously unknown Tercentenary events in Europe the British Empire and the USA Monika Smialkowska demonstrates that the 1916 Shakespeare commemorators did not speak with one unified voice Tributes by marginalised social ethnic and racial groups often challenged the homogenising narratives of the official celebrations Rather than the traditionally patriotic Bard used to support totalising versions of national or imperial identity this study reveals Shakespeare as a site of debate and contestation in which diverse voices local and global nationalist and universalist militant and pacifist combined and clashed in a fascinating open ended dialogue

Undoing Slavery Kathleen M. Brown, 2023-02-01 Undoing Slavery excavates cultural political medical and legal history to understand the abolitionist focus on the body on its own terms Motivated by their conviction that the physical form of the

human body was universal and faced with the growing racism of eighteenth and nineteenth century science abolitionists in North America and Britain focused on undoing slavery's harm to the bodies of the enslaved Their pragmatic focus on restoring the bodily integrity and wellbeing of enslaved people threw up many unexpected challenges This book explores those challenges Slavery exploited the bodies of men and women differently enslaved women needed to be acknowledged as mothers rather than as reproducers of slave property and enslaved men needed to claim full adult personhood without triggering white fears about their access to male privilege Slavery's undoing became more fraught by the 1850s moreover as federal Fugitive Slave Law and racist medicine converged The reach of the federal government across the borders of free states and theories about innate racial difference collapsed the distinctions between enslaved and emancipated people of African descent making militant action necessary Escaping to so called free jurisdictions refugees from slavery demonstrated that a person could leave the life of slavery behind But leaving behind the enslaved body the fleshy archive of trauma and injury proved impossible Bodies damaged by slavery needed urgent physical care as well as access to medical knowledge untainted by racist science As the campaign to end slavery revealed legal rights alone while necessary were not sufficient either to protect or heal the bodies of African descended people from the consequences of slavery and racism

Language, Globalization and the Making of a Tanzanian Beauty Queen Sabrina Billings, 2013-11-15 This book uses a micro analysis of language in and around Tanzanian beauty pageants to examine what happens at beauty pageants and the ways in which contestants are evaluated and how this sheds light on life in urban Tanzania today By integrating linguistic and non linguistic data the book illustrates the real life effects of language policy and structural inequality on people's lives

Military Waste Joshua O. Reno, 2020-02-04 World War III has yet to happen and yet material evidence of this conflict is strewn everywhere resting at the bottom of the ocean rusting in deserts and floating in near Earth orbit In *Military Waste* Joshua O Reno offers a unique analysis of the costs of American war preparation through an examination of the lives and stories of American civilians confronted with what is left over and cast aside when a society is permanently ready for war Using ethnographic and archival research Reno demonstrates how obsolete military junk in its various incarnations affects people and places far from the battlegrounds that are ordinarily associated with warfare Using a broad swath of examples from excess planes ships and space debris that fall into civilian hands to the dispossessed and polluted island territories once occupied by military bases to the militarized masculinities of mass shooters *Military Waste* reveals the unexpected and open ended relationships that non combatants on the home front form with a nation permanently ready for war
