## **Amid The Guns Below The Story Of The Canadian Corps 1914 1919:**

**Amid the Guns Below. The Story of the Canadian Corps, 1914-1919. ([By] Larry Worthington.).** Canada. Canadian Army. Canadian Expeditionary Force, 1914-1919,1965 *The Battles of the British Expeditionary Forces, 1914-1915* Fred R. van Hartesveldt,2005-04-30 In this valuable resource over 1 000 annotated sources from Great Britain France and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I Unique to this bibliography is the comprehensive coverage of sources resulting in a more complete picture of the circumstances of activities of the British Expeditionary Force BEF Sources include coverage of the BEF s military role as well as background information about domestic military considerations and Allied and enemy efforts This volume will support researchers and students in their efforts to find out what the Expeditionary Force s contributions were in World War I and for expanding their knowledge of the Great War and British military history In this valuable resource over 1 000 annotated sources from Great Britain France and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I Unique to this bibliography is the comprehensive coverage of sources and it results in a more complete picture of the circumstances of activities of the British Expeditionary Force BEF Sources include coverage of the BEF s military role as well as background information about domestic military considerations and Allied and enemy efforts This volume will support researchers and students in their efforts to find out what the Expeditionary Force s contributions were in World War I and for expanding their knowledge of the Great War and British military history The volume includes four chapters of historiographical essays discussings the interpretations and controversies that surround the performance and leadership of the BEF in 1914 1915 The essays direct readers to the major sources that support various ideas and indicate gaps in the historiography of the subject Following the historiographical essays is an annotated bibliography of more than 1 000 sources that are relevant to the study of the BEF *Amid the Guns Below* Clara Ellen Dignum Worthington,1965 **The Torch We Throw: The Dundurn WWI Historical Library** Brereton Greenhous,James McWilliams,R. James Steel,Kevin R. Shackleton,George H. Cassar,Bruce Cane,2014-07-23 The giant conflagration of the First World War created the world we live in today and its history is replete with stirring battles mind boggling strategies and geopolitical manoeuvring However the real story was lived in the trenches of Europe and the lonely households of those left behind The stories of this period are full of tragedy anger and loss but also inspirational courage This special five book bundle presents some of these stories from brave Canadian contributions to the battlefields at Ypres and Amiens to the specific untold story of Canada s unheralded 58th Division to an analysis of the myth and legend of air ace Billy Bishop to the voice of one single soldier Deward Barnes told through his diary These books provide new and enlightening perspectives on the war Amiens Hell in Flanders Fields It Made you Think of Home The Making of Billy Bishop Second to None **British Generalship during the Great War** Simon Robbins,2016-04-15 Following the career of one relatively unknown First World

War general Lord Horne this book adds to the growing literature that challenges long held assumptions that the First World War was a senseless bloodbath conducted by unimaginative and incompetent generals. Instead it demonstrates that men like Horne developed new tactics and techniques to deal with the novel problems of trench warfare and in so doing seeks to re-establish the image of the British generals and explain the reasons for the failures of 1915-16 and the successes of 1917-18 and how this remarkable change in performance was achieved by a much maligned group of senior officers. Horne's important career and remarkable character sheds light not only on the major battles in which he was involved, the progress of the war, his relationships with his staff and other senior officers, the novel problems of trench warfare, the assimilation of new weapons, tactics and training methods and the difficulties posed by the German defences but also on the attitudes and professionalism of a senior British commander serving on the Western Front. Horne's career thus provides a vehicle for studying the performance of the British Army in the first quarter of the Twentieth Century. It also gives an important insight into the attitudes, ethos and professionalism of the officer corps which led that army to victory on the Western Front, exposing not only its flaws but also its many strengths. This study consequently provides a judgment not only on Horne as a personality, innovator and general of great importance but also on his contemporaries who served with the British Armies in South Africa and France during an era which saw a revolution in military affairs giving birth to a Modern Style of Warfare which still prevails to this day.

*Warfare and Culture in World History* Wayne E. Lee, 2011-01-01

The debate over race in this country has of late converged on the contentious issue of affirmative action. Although the Supreme Court once supported the concept of racial affirmative action, in recent years a majority of the Court has consistently opposed various affirmative action programs. *The Law of Affirmative Action* provides a comprehensive chronicle of the evolution of the Supreme Court's involvement with the racial affirmative action issue over the last quarter century. Starting with the 1974 *DeFunis v. Odegaard* decision and the 1978 *Bakke* decision which marked the beginnings of the Court's entanglement with affirmative action, Girardeau Spann examines every major Supreme Court affirmative action decision showing how the controversy the Court initially left unresolved in *DeFunis* has persisted through the Court's 1998-99 term. Including nearly thirty principal cases covering equal protection, voting rights, Title VII and education, *The Law of Affirmative Action* is the only work to treat the Court decisions on racial affirmative action so closely, tracing the votes of each justice who has participated in the decisions. Indispensable for students and scholars, this timely volume elucidates reasons for the 180 degree turn in opinion on an issue so central to the debate on race in America today.

*Reluctant Warriors* Patrick M. Dennis, 2017-09-22

During the Hundred Days campaign of the First World War, over 30 percent of conscripts who served in the Canadian Corps became casualties. Yet they were generally considered slackers for not having volunteered to fight. *Reluctant Warriors* is the first examination of the pivotal role played by Canadian conscripts in the final campaign of the Great War on the Western Front. Challenging long standing myths about conscripts, Patrick Dennis examines whether these men arrived at the right moment and in sufficient

numbers to make any significant difference to the success of the Canadian Corps He examines the conscripts themselves their journey to war the battles in which they fought and their largely undocumented sacrifice and heroism Reluctant Warriors sheds new light on the success of the Military Service Act and provides fresh evidence that conscripts were good soldiers who fought valiantly and made a crucial contribution to the war effort **Second to None** Kevin R.

Shackleton,2002-08-26 The story of the Fighting 58th one of 50 infantry battalions to see action with the Canadian Expeditionary Force during the First World War **Sam Hughes** Ronald Haycock,1986-10-26 This book is based on the public career of a highly controversial Canadian Sam Hughes 1885 1916 He is one of the most colourful even bizarre figures in Canadian history Though he died in 1921 his name can still conjure up controversy and not a little misunderstanding His long career in so many respects the quintessential story of a poor backwoods Ontario farm boy who made good by his own efforts continues to exert a fascination that few other Canadian political figures could duplicate Even though there has never been a major scholarly study of Sam Hughes historians and other writers have developed definite opinions about him and they are held nearly as vigorously as those of his contemporaries These vary from insisting that Hughes was mentally unbalanced to proclaiming him a genius Hughes defenders have rarely been professional historians Neither side have not produced an extensive or definitive literature on Hughes in proportion to other figures of a similar public stature Whatever side the studies have taken the assessments are still incomplete because they have not examined the entirety of Sam Hughes public life To a large extent these limitations have allowed the folk image of him to persist But Hughes had fibre and substance beyond this Since historical figures must be explained in terms of their environment this study tries to redress the previous imbalances by examining Hughes public career It is the only way his historical significance can be explained and reasonable judgments made **Warfare and Culture in World History, Second Edition** Wayne E. Lee,2020-08-31 An expanded edition of the leading text on military history and the role of culture on the battlefield Ideas matter in warfare Guns may kill but ideas determine when where and how they are used Traditionally military historians attempted to explain the ideas behind warfare in strictly rational terms but over the past few decades a stronger focus has been placed on how societies conceptualize war weapons violence and military service to determine how culture informs the battlefield Warfare and Culture in World History Second Edition is a collection of some of the most compelling recent efforts to analyze warfare through a cultural lens These curated essays draw on and aggressively expand traditional scholarship on war and society through sophisticated cultural analysis Chapters range from an organizational analysis of American Civil War field armies to an exploration of military culture in late Republican Rome to debates within Ming Chinese officialdom over extermination versus pacification In addition to a revised and expanded introduction the second edition of Warfare and Culture in World History now adds new chapters on the role of herding in shaping Mongol strategies Spanish military culture and its effects on the conquest of the New World and the blending of German and East African military cultures among the Africans who

served in the German colonial army This volume provides a full range of case studies of how culture whether societal strategic organizational or military could shape not only military institutions but also actual battlefield choices

**Muleskinner** William Hesler, 2010 Based on the experiences of an ammunition driver in the Canadian Artillery this book will give the reader a quick understanding of Canada's involvement in World War One Follow Driver Hesler as he moves up to the line and back during the battles of the Somme Vimy Ridge Lens Passchendaele and the Allied advance during the last hundred days of the war At each step the author zooms out to the bigger picture to capture the folly and the tragedy of the war itself a war which would have lasted longer without the enormous sacrifice of a young country which had no chance to stay out of it The term muleskinner was an epithet which although originally intended to malign both the animal and the man ironically became a proud boast by the latter What both had to go through in the course of World War I explains why In the First World War territorial designs were secondary and the civilian populations were largely spared except for famine and disease It was a war characterized by stupidity It was not the oppression of one people by another It was a war in which each side preyed upon itself

*It Made You Think of Home* Bruce Cane, George Frederick Barnes, 2004-08-01 We took our positions five kneeling and five standing we got the order to fire One blank and nine live rounds I did not have the blank That is the voice of Deward Barnes an unwilling but dutiful member of the firing squad that shot Harold Lodge one of 25

Canadians executed during the First World War In this diary we hear something that is otherwise gone forever the authentic voice of the First World War soldier Everyman in khaki Fully annotated so that everyone today can understand the nuance of each entry the Barnes diary takes us into the trenches and the firing lines of the Western Front like no other first hand Canadian account of that terrible war can Like any trained infantryman Deward could tell the kick of a live round from a blank one and that kick he bestows on us with each turn of the page

Canada's Great War, 1914-1918 Brian Douglas Tennyson, 2014-11-25 Canada's Great War 1914 1918 How Canada Helped Save the British Empire and Became a North American Nation describes the major role that Canada played in helping the British Empire win the greatest war in history and somewhat surprisingly resulted in Canada's closer integration not with the British Empire but with its continental neighbor the United States When Britain declared war against Germany and Austria Hungary in August 1914 Canada was automatically committed as well because of its status as a Dominion in the British Empire Despite not having a say in the matter most Canadians enthusiastically embraced the war effort in order to defend the Empire and its values In Canada's Great War 1914 1918 historian Brian Douglas Tennyson argues that Canada's participation in the war weakened its relationship with Britain by stimulating a greater sense of Canadian identity while at the same time bringing it much closer to the United States especially after the latter entered the war Their wartime cooperation strengthened their relationship which had been delicate and often strained in the nineteenth century This was reflected in the greater integration of their economies and the greater acceptance in Canada of American cultural products such as books magazines radio broadcasting

and movies and was symbolized by the astonishing American response to the Halifax explosion in December 1917. By the end of the war Canadians were emerging as a North American people no longer fearing close ties to the United States even as they maintained their ties to the British Commonwealth. Canada's Great War 1914-1918 will interest not only Canadians unaware of how greatly their nation's participation in the First World War reshaped its relationship with Britain and the United States but also Americans unacquainted with the magnitude of Canada's involvement in the war and how that contribution drew the two nations closer together.

*Amid the Guns Below* Larry Worthington, 1965. The story of the Canadian Corps 1914-1919.

*Empire and Nations* Harvey L. Dyck, H. Peter Krosby, 1969-12-15. *Empire and Nations* was written in tribute to the accomplishments of Frederic Hubert Soward, teacher, scholar, and administrator who for forty-two years served in the Department of History at the University of British Columbia. Throughout his career he has made significant contributions to international understanding and the study of international relations through his writings, public lectures, and participation in international organizations and conferences. The volume consists of essays by fourteen outstanding contributors, all of whom are former students or associates of Professor Soward. The essays have as their common subject the nations that evolved within the British Empire and found or are finding their place in the world. Papers written by John Conway, Harvey L. Dyck, G. P. de T. Glazebrook, Edward D. Greathed, John W. Holmes, R. A. MacKay, Norman A. M. MacKenzie, Kenneth A. MacKirdy, H. Blair Neatby, and Peter B. Waite develop the subject from the perspectives of nation building in Canada and Canada's developing role in world affairs. Peter Harnetty, Jane Banefield Haynes, and J. Bertin Webster contribute studies of nationalism and empire in Asia and Africa. Also included in the volume are a biographical introduction by Margaret A. Ormsby, a list of the writings of F. H. Soward compiled by Eleanor Mercer, and a tribute to Professor Soward by Lester B. Pearson.

**The Canada Year Book** Canada. Dominion Bureau of Statistics, 1968.

**Men at War** Christon Archer, 2017-07-05. The growing number of books on military history and the lively interest in military history courses at colleges and universities show that the study of war is enjoying considerable popularity. The reasons for this are arguable, but of immediate interest is the kind of military history that is taught and written. Here the student of war comes across an interesting division of opinion as to how military history should be written. Military history, lying as it does on the frontier between history and military science, requires knowledge of both fields. This fact often presents a difficulty to the history teacher. Generally speaking, history is a discipline by virtue of its subject matter, not by virtue of a particular methodology such as is characteristic of the sciences and of some social sciences. The perspective of *Men at War* is a cross between a professional internalist approach and a civilian contextual view. This separation is not unique to military history; for the same dualism tends to occur in those areas of history such as law and medicine that can be written both by members of the profession concerned (lawyers and doctors) and by those outside the profession. The problem is that at one extreme the contextual view can take the emotional content out of war, while at the other extreme the internalist view can put too much in

Men at War seeks to locate a military history that combines the professional internalist method and the civilian contextual method by showing that these are two fundamental sources from which a war derives. Seen in this way this volume breaks new ground in defining the sources of twentieth century power. *Legacy of the Somme 1916* Gerald Gliddon, 1996 The Battle of the Somme is widely regarded as one of the bloodiest and most controversial land battles ever fought. The first British troops went over the top on 1 July 1916 and by the day's end some 19 000 had been killed in the greatest one day loss the British Army has ever known. This notoriety has ensured that the Somme and its many fallen warriors live on in countless books, plays and films. Documentary sources about the Somme abound and there is a voracious appetite among the book buying public for more. *Legacy of the Somme 1916* is a unique bibliographical and media guide to the battle setting on record in as comprehensive a listing as is possible much of what has been written, filmed or sound recorded in the English language between 1916 and 1995. This detailed listing includes official, unofficial and unit histories of the British and Commonwealth armies, biographies, autobiographies and memoirs, literature, drama and media, archives, tanks and war graves registers. Short commentaries accompany each entry and a detailed index enables accurate cross referencing of subjects. First and foremost this is a unique work of reference which will appeal to all with an interest in the First World War. It will aid historians, researchers and enthusiasts to track down the vast amount of information available on the battle and will also prove valuable to libraries, museums and the book trade. *The Canadian Historical Review*, 1974 [Canadiana Library](#) Canadiana Library, 1967

Recognizing the mannerism ways to get this ebook **Amid The Guns Below The Story Of The Canadian Corps 1914 1919** is additionally useful. ## Amid The Guns Below The Story Of The Canadian Corps 1914 1919 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Amid The Guns Below The Story Of The Canadian Corps 1914 1919 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Amid The Guns Below The Story Of The Canadian Corps 1914 1919 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Amid The Guns Below The Story Of The Canadian Corps 1914 1919 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Amid The Guns Below The Story Of The Canadian Corps 1914 1919. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Amid The Guns Below The Story Of The Canadian Corps 1914 1919 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Amid The Guns Below The Story Of The Canadian Corps 1914 1919 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Amid The Guns Below The Story Of The Canadian Corps 1914 1919 is one of the best book in our library for free trial. We provide copy of Amid The Guns Below The Story Of The Canadian Corps 1914 1919 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Amid The Guns Below The Story Of The Canadian Corps 1914 1919. Where to download Amid The Guns Below The Story Of The Canadian Corps 1914 1919 online for free? Are you looking for Amid The Guns Below The Story Of The Canadian Corps 1914 1919 PDF? This is definitely going to save you time and cash in something you should think about.
