Fantasy and the Real World in British Children's Literature Caroline Webb,2014-09-15 This study examines the children's books of three extraordinary British writers J K Rowling Diana Wynne Jones and Terry Pratchett and investigates their sophisticated use of narrative strategies not only to engage children in reading but to educate them into becoming mature

readers and indeed individuals The book demonstrates how in guite different ways these writers establish reader expectations by drawing on conventions in existing genres only to subvert those expectations Their strategies lead young readers to evaluate for themselves both the power of story to shape our understanding of the world and to develop a sense of identity and agency Rowling Jones and Pratchett provide their readers with fantasies that are pleasurable and imaginative but far from encouraging escape from reality they convey important lessons about the complexities and challenges of the real world and how these may be faced and solved All three writers deploy the tropes and imaginative possibilities of fantasy to Making Choices Sue Langford, 2016-07-22 When Harlee finally disturb challenge and enlarge the world of their readers made that hard choice she knew that Grace would stand by her Through the tears and the crying and the screaming in frustration Grace always had been there When a friendship turned into more Harlee wasn t sure what to do Should she run the risk of ruining a friendship she s had for 8 years just to try out a relationship Does she take the chance when it could mean breaking up an 8 year team A hard decision was an understatement but it was a choice she d have to make Zack Walker had been part of Harlee's band for what felt like forever When he saw her relationship with Jake crumbling around her all he wanted to do was jump in and save her from it all After telling her that he d spent his life waiting for her to be single Harlee almost laughed him right out of the room He d had the typical rock star past full of one night stands and girlfriends who didn t mean much to him but would she really hold all of that against him When the right time came he d jumped at the chance to be with her and wasn t about to give it up When Grace saw Zack and Harlee together part of her questioned it it was right the other part questioned what Jake would do when he found out She had to put her feelings aside when her relationship was rekindled with Kevin but would she be able to hide Harlee's new love from Jake She had to hide a lot from Kevin and Jake but she knew that there was that chance that Harlee was going to lose it all When you have to make the hardest choice ever it better be what you want Living with the hard choices was easy if it was the right choice and the The Choice Sue Langford, 2016-03-18 When Harlee met Jake she knew life would be different She had right man someone who loved her even with the crazy schedule and the tour stops She d been left with one of the biggest decisions she d ever have to make When she finally made it it meant she might just lose him altogether Schedules were always going to conflict but she thought it would ve been easier Jake knew being with someone who was constantly on the road meant a lot of time alone and he expected it What he never expected was missing her so much the minute she had left Would he be able to stand being alone for months while she toured the country He thought diving into a new job would help but he only missed her more It's when he was confronted with a mistake from his past that he started to worry if she could accept him Grace thought she had it all She married the perfect guy and ended up having to make the hardest decision she d ever made Watching Jake and Harlee was enough to make her see what she wanted but would the choice she made ruin any chance at being happy Mistakes are made lessons learned and heartache suffered but would the choice they made get them through it
