An Artist Of The Floating World English Edition:

An Artist of the Floating World Kazuo Ishiguro, 2012-09-05 From the winner of the Nobel Prize in Literature and author of the Booker Prize winning novel *The Remains of the Day* In the face of the misery in his homeland the artist Masuji Ono was unwilling to devote his art solely to the celebration of physical beauty Instead he put his work in the service of the imperialist movement that led Japan into World War II Now as the mature Ono struggles through the aftermath of that war his memories of his youth and of the floating world the nocturnal world of pleasure entertainment and drink offer him both escape and redemption even as they punish him for betraying his early promise Indicted by society for its defeat and reviled for his past aesthetics he relives the passage through his personal history that makes him both a hero and a coward but above all a human being

Born Translated Rebecca L. Walkowitz, 2015-08-04 As a growing number of contemporary novelists write for publication in multiple languages the genre's form and aims are shifting Born translated novels include passages that appear to be written in different tongues narrators who speak to foreign audiences and other visual and formal techniques that treat translation as a medium rather than as an afterthought These strategies challenge the global dominance of English complicate native readership and protect creative works against misinterpretation as they circulate They have also given rise to a new form of writing that confounds traditional models of literary history and political community Born Translated builds a much needed framework for understanding translation's effect on fictional works as well as digital art avant garde magazines literary anthologies and visual media Artists and novelists discussed include J M Coetzee Junot Diaz Jonathan Safran Foer Mohsin Hamid Kazuo Ishiguro Jamaica Kincaid Ben Lerner China Miéville David Mitchell Walter Mosley Caryl Phillips Adam Thirlwell Amy Waldman and Young-hae Chang Heavy Industries The book understands that contemporary literature begins at once in many places engaging in a new type of social embeddedness and political solidarity It recasts literary history as a series of convergences and departures and by elevating the status of born translated works redefines common conceptions of author reader and nation
