**An Emerald Green Rosebud** Jessica Allin, 2014-10-28 An Emerald Green Rosebud is a collection of stories and observations that illustrate Jessica Allin's remarkable life. The book radiates Jessica's warm humanity and her perceptions of the beauty of the world. About her: Jessica Allin, a young woman living and working in London, has a chance encounter that takes her on the journey of a lifetime to East and Central Africa, the Sudan, and on to Spain. An Emerald Green Rosebud is in part the sequel to Jessica's previous book *A Breath of Africa* and is a delightful collage of stories and reflections about people in far away places, raising a family in Africa, and unique occurrences that Jessica has experienced. Much later, there is another encounter, one that magically weaves a golden thread reconnecting her to the homeland she left so many years ago. Inspired by readers asking for a sequel to *A Breath of Africa*, Jessica Allin's personal memoirs are a fascinating read for anyone who enjoys biographies and stories of experiences in far away places. *A Journey to the Light Within* Beth Lynch, 2018-08-21 Welcome to Journey to Light Meditation for the Soul. Your self-discipline, personal awareness, and confidence in your intuition will excel and be seen in all areas of your life. The journey will begin with conscious breathing and intention, connecting you to the inner light of your heart chakra. As you go along, visualization, color, and sound, through chanting the sacred sounds of the chakras, will become natural, as will your connection to your highest self, God, and spiritual guides. Keep in mind that each journey is personal and sacred. Trust that your connection to your own spirit is sacred and personal. All you need is to commit to twenty minutes a day and trust that you are creating a natural and sacred time where your intuition can lead you in all choices and challenges, personally and professionally. *Fishing the Beartooths* Pat Marcuson, 2008-07-01 This guide answers every angler's questions about stocking, schedules, fish abundance, precise location, coordinates, elevation, surface area, and maximum depth for more than 1,000 lakes and streams in the magnificent Beartooth and Absaroka Mountains on the Montana-Wyoming border. Many of these waters teem with colorful fish; others are barren. Some are easily accessible; others are tough to find. This book gives clear descriptions of trails, distances, landmarks, terrain, and even availability of firewood. Each page is enriched with first-hand descriptions, advice, humor, and knowledge of the area's history, including the Crazy Mountains. **Max the Detective Cat: The Disappearing Diva** Sarah Todd Taylor, 2018-03-01 With a beautifully fluffy tail and a keen nose for adventure, Max the Detective Cat is ready for any mystery.
