One-Moment Meditation Martin Psy.D. Boroson, 2012-07-10 Think of all the moments you lose stuck in traffic standing in line waiting for a download And think of all the moments you waste working when you re not focused or fiddling with your phone What if each of these moments offered you an extraordinary opportunity In One Moment Meditation now published in eight languages Martin Boroson distills the philosophy of time into a simple form of meditation that you can do anywhere anytime It begins with an exercise that takes just one minute per day With practice this takes less and less time until it only takes a moment Then each and every moment gives you a chance to reduce stress refresh your mind and open yourself to new possibilities This unique approach to meditation was featured as a thirty day series for stress reduction on Oprah com Playful profound and above all practical One Moment Meditation teaches you that inner peace is not a distant goal reserved for saints and sages and it doesn t take a lot of time it only takes a moment It s hard to overestimate how helpful this technique could be Psychologies magazine This gem of a book is a marvelous launching pad for anyone who wants to rest in the now the only time there is Larry Dossey M D author of Reinventing Medicine Martin Boroson s fantastic book is all about learning to condense the practice of meditation into these fleeting moments And about how from a certain perspective a sequence of fleeting moments are all we ever really have anyway Oliver Burkeman The Guardian

Gertrude Stein is an experimental modernist novel that explores themes of identity history and the nature of American culture The novel presents a detailed and repetitive narrative about the lives of the Dehning and Hersland families using an unconventional stream of consciousness style that reflects Stein s interest in linguistic rhythm and psychological depth Through this fragmented and abstract approach Stein examines the ways in which individuals and families evolve over generations capturing the essence of human behavior and societal change Since its publication The Making of Americans has

been recognized as a groundbreaking work in modernist literature challenging traditional narrative structures and redefining the novel's form. Its emphasis on repetition, variation, and observation creates a unique reading experience that mirrors the process of memory and perception. Though complex and demanding, the novel has been influential in literary circles, inspiring later experimental writers. The novel's enduring significance lies in its ambitious attempt to chronicle the American experience through language and structure rather than conventional plot. *The Making of Americans* remains a landmark of literary innovation, offering readers a profound meditation on identity, transformation, and the fluidity of personal and collective history.

Victory in Marriage Sarah Noel Maxwell, 2017-10-04 *Victory in Marriage* will tell you things most married couples wish they knew before marriage began. The wedding, prayer, money, sex, long distance relationships, dating, and many other topics will be dissected, and hopefully you'll learn something that will equip you to be the kind of spouse you want to be married to. Whether you're single, engaged, or married, you can gain something if you invite God into your reading. You'll be encouraged, laugh a little, and struggle with breaking down difficult notions we've grown up hearing, most probably false, like how marriage is something you do simply because I love them, and how you should end your marriage if you aren't happy. Sarah defines her worth in seeking Christ-likeness in all aspects of her life, even when she falls short. She has written many blogs on various topics and hopes to publish a book for women as well as children's picture books in the near future, but *Victory in Marriage* is her first published book. I wasn't married long, Sarah says, but I entered marriage with God already, the Lord of my life, being married committedly, even when it was ending, is what makes me qualified. Betrayal changed my life after this book was published, but the meaning and importance of marriage remains. I hope *Victory in Marriage* creates teachable moments for you as it did for me when I wrote it. Sarah shares, "As you read, consult scriptures and prayerfully take your time reading, and contact me to discuss any discrepancies, concerns, or inspiring moments further with me." *Victory in Marriage* is filled with beautifully written, authentic advice of how to do marriage well. Sarah covers a multitude of topics and consistently points to Jesus through each subject. Mat and Est Christian Vloggers.
