Start Writing - Creative Writing Tips and Techniques , *Theopoetry of the Psalms* C.J.A. Vos, 2005-10-10. In *Theopoetry of the Psalms* Cas J A Vos explores the beauty of the Psalms and examines their meaning within the context of exegesis, homiletics and poetry. By investigating the structure, literary genre, history and theology of the Psalms, he traces the ways in which they continue to be relevant to contemporary readers and to modern worship. Vos scrutinizes the Psalms as a volume of poetry and a work of art, considers hermeneutical approaches and difficulties, providing not only a verse-by-verse analysis but also a contextual history. It outlines a comprehensive homiletic theory for preaching the Psalms and concludes with a study of the Psalms in liturgy. *Theopoetry of the Psalms* is valuable to those Biblical scholars who wish to explore the theological and exegetical interpretation of the Psalms as well as to those readers who are interested in liturgics and practical theology for preaching and worship. *How to Read the Bible in Changing Times* Mark L. Strauss, 2011-08-01

Many find it difficult to take words that were written thousands of years ago and apply them to twenty-first-century life in the Western world. How do we read God's unchanging Word in a world that is increasingly defined by change? *How to Read the Bible in Changing Times* shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture. Rather than seeing the Bible as a magic answer book, a list of commands to obey or a series of promises to claim, this insightful book allows the Bible to retain its identity as a complex inspired document while showing that the truth it contains is relevant and life-changing. It shows the reader how to determine the meaning of the text in its original context, identify culturally relative features, understand what the text teaches about God, his will and his purposes, apply the truths discovered to contemporary life situations. It even shows readers how to discern God's will on the many modern issues that the Bible does not directly address. **100 Brain-Friendly Lessons for Unforgettable Teaching and Learning (9-12)** Marcia L.
