

The background of the entire slide is a close-up, high-contrast image of flames. The fire is a mix of bright yellow and orange, with darker, almost black, areas where the flames are more intense or where the smoke is thicker. The flames appear to be moving and flickering, creating a sense of heat and intensity. The overall effect is dramatic and somewhat ominous, fitting the theme of the title.

An Alternative Apocalypse Anna Grace,2015-02-10 Lo Here Lo There Are you looking for the return of the visible Christ according to the signs of the times and the wars and rumors of wars in the world In this past century end time prophetic events have been fulfilled on our earth like never before Armies today surround Israel There have been multiple signs in the stars and heavenlies and even now we are in the midst of a series of blood red moon tetrads that have been widely proclaimed to be a major signal that God is on the move The 20th century also brought us a tremendous prophetic fulfillment when Israel returned to its homeland There were two world wars fought and at this very moment there are many foreboding skirmishes in and around the Holy Land Many have arisen in remote corners of the world professing to be the Christ According to scripture all of these are great apocalyptic foreshadows to alert us to the possibility even the probability that we are in the last days At this crucial point in history there is something we must consider Is it possible that as Israel was misled by strict scriptural interpretation under the Old Covenant so today is Christianity misled in the same way and that is why we too believe that the second advent of Messiah will be as a conquering King If we are waiting for Messiah King Jesus to come and destroy all wickedness and evil and save all of humanity is it possible that we may have fallen into the same doctrinal error as the old religious sect in Jesus day They back then missed the mark by a long shot There is nothing new under the sun and just as it was historically at his first coming it seems that we may today be in the same mindset and therefore not prepared for his second coming It may be time to look at eschatological scripture anew **Apocalypse Delayed** M.
