 more than 100 years There are three key elements which set this apart from its contemporaries the first being that it gives
 an exposition or verse by verse annotation of each verse in the Bible The second element is that it explores the framework of
 the text the homiletics Finally it supplies the homilies with multiple model sermons from various authors Also included is a

 This commentary bids fair to take a conspicuous place among the ever multiplying aids to the study of the Holy Scriptures It
 will revive the great work of Lange and will far exceed the Speaker s Commentary in the bulk and fullness of its material The
