Joseph Conrad, Polish pronunciation born Jozef Teodor Konrad Korzeniowski, 3 December 1857 – 3 August 1924, was a Polish-British writer regarded as one of the greatest novelists to write in the English language. He joined the British merchant marine in 1878 and was granted British nationality in 1886. Though he did not speak English fluently until his twenties, he was a master prose stylist who brought a non-English sensibility into English literature. He wrote stories and novels, many with a nautical setting that depict trials of the human spirit in the midst of an impassive, inscrutable universe. Conrad is considered an early modernist, though his works still contain elements of 19th-century realism. His narrative style and anti-heroic characters have influenced many authors, including F. Scott Fitzgerald, William Faulkner, Ernest Hemingway, André Malraux, George Orwell, Graham Greene, Gabriel García Márquez, John Le Carré, V. S. Naipaul, Philip Roth, J. M. Coetzee, and Salman Rushdie. Many films have been adapted from or inspired by Conrad's works.

Writing in the heyday of the British Empire, Conrad drew on, among other things, his native Poland's national experiences and his own experiences in the French and British merchant navies to create short stories and novels that reflect aspects of a European-dominated world, including imperialism and colonialism, and that profoundly explore the human psyche.

When Willems stepped off the straight and narrow path of his own peculiar honesty, he thought it would be a short episode in the flowing tale of his life. But Willems was wrong, for he was about to embark on a voyage of discovery and self-discovery that would change if not destroy the rest of his life. Marooned by his own people on the shore of a Malayan island, Willems is caught in the grip of his own vulnerability and corruption.

An Outcast of the Islands Joseph Conrad, World Literature, 2015-05-19

An Outcast of the Islands is my second novel in the absolute sense of the word: second in conception, second in execution, second as it were in its essence. There was no hesitation, half-formed plan, vague idea, or the vaguest reverie of anything else between it and *Almayer's Folly*. The only doubt I suffered from after the publication of *Almayer's Folly* was whether I should write another line for print. Those days now grown so dim had their poignant moments. Neither in my mind nor in my heart had I then given up the sea. In truth, I was clinging to it desperately, all the more desperately because against my will I could not help feeling that there was something changed in my relation to it. *Almayer's Folly* had been finished and done with. The mood itself was gone. But it had left the memory of an experience that both in thought and emotion was unconnected with the sea, and I suppose that part of my moral being which is rooted in consistency was badly shaken. I was a victim of contrary stresses which produced a state of immobility. I gave myself up to indolence. Since it was impossible for me to face both ways, I had elected to face nothing. The discovery of new values in life is

a very chaotic experience there is a tremendous amount of jostling and confusion and a momentary feeling of darkness I let my spirit float supine over that chaos **An Outcast of the Islands** Joseph Conrad, 2002 The only annotated edition available An Outcast of the Islands 1896 Conrad's second novel is a tale of intrigue in an eastern setting Peter Willems a clerk in Macassar granted a second chance at a remote river trading post falls ever more hopelessly into traps set by himself and others A parable of human frailty with love and death the major players this is a story of a man unable to understand others and fated never to possess his own soul **An Outcast of the Islands** Joseph Conrad, 1896 **An Outcast of the Islands** Joseph Conrad, 1981
