**Differentiation in Practice: A Resource Guide for Differentiating Curriculum, Grades 9-12** Carol Ann Tomlinson, Cindy A. Strickland, 2005-08-15 Join Carol Ann Tomlinson and Cindy A. Strickland in the continuing exploration of how real teachers incorporate differentiation principles and strategies throughout an entire instructional unit. Focusing on the high school grades but applicable at all levels, *Differentiation in Practice: Grades 9-12* will teach anyone interested in designing and implementing differentiated curriculum how to do so or how to do so more effectively. Inside you'll find annotated lesson plans for differentiated units in English, mathematics, history, science, art, and world languages. Samples of differentiated product assignments, learning contracts, rubrics, and homework handouts. An overview of the non-negotiables in differentiated classrooms and guidelines for using the book as a learning tool. An extended glossary and recommended readings for further exploration of key ideas and strategies. Each unit highlights underlying standards, delineates learning goals, and takes you step by step through the instructional process. Unit developers provide running commentary on their use of flexible grouping and pacing, tiered assignments, and assessments, and numerous other strategies. The models and insight presented will inform your own differentiation efforts and help you meet the challenge of mixed-ability classrooms with academically responsive curriculum appropriate for all learners.

**Social Studies for Secondary Schools** Alan J. Singer, 2008-10-26 This popular text advocates an inquiry and activity-based view of social studies teaching that respects the

points of view of students and teachers Based in practice and experience it offers systematic support and open honest advice for new teachers is conversational not pedantic and provides lots of examples While the structure and most of the topics remain largely the same as before this Third Edition presents new lesson ideas in every chapter especially designed to help new teachers to address learning standards to work in inclusive settings and to promote literacy and the use of technology in social studies classrooms puts a heavier focus on what is important to know and why includes new essays on the politics of social studies education responds to opponents of project or activity based social studies instruction and multicultural education with a sharpened defense of both of these approaches throughout the book Intended as a text for undergraduate and graduate pre service social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice
