**Relativity of Deviance** John Curra,2016-01-25 This engaging and informative book by award winning sociologist and

criminologist John Curra offers a valuable perspective on attitudes and behaviors labeled as deviant The Relativity of

Deviance Fourth Edition explores the meanings and constructions of social deviance and social reactions to it he answers

such questions as What is deviance What comprises deviant behavior How are deviants treated How is deviance socially

constructed and socially sustained Why is the same attitude behavior or condition praised in one situation and condemned in

another Through insightful and thought provoking examples and informed accounts the author illustrates that deviance

cannot be explained or understood in terms of absolutes or essential characteristics nor can it be explained or understood

apart from its social setting This book approaches sex violence theft drugs suicide rape and mental disorders in a way that

shows the critical role of sociocultural factors and social reactions in constructions of deviance and crime     *Reports of*

*Cases Argued and Determined in the Superior Court of Judicature for the State of New-Hampshire* New Hampshire. Supreme

Court,1857     **The American Decisions** ,1886     Latina/o Sexualities Marysol Asencio,2009-10-26 Latina os are currently

the largest minority population in the United States They are also one of the fastest growing Yet we have very limited

research and understanding of their sexualities Instead stereotypical images flourish even though scholars have challenged

the validity and narrowness of these images and the lack of attention to the larger social context Gathering the latest

empirical work in the social and behavioral sciences this reader offers us a critical lens through which to understand these images and the social context framing Latinas and their sexualities Situated at the juncture of Latina/o studies and sexualities studies *Latina/o Sexualities* provides a single resource that addresses the current state of knowledge from a multidisciplinary perspective Contributors synthesize and critique the literature and carve a separate space where issues of Latina/o sexualities can be explored given the limitations of prevalent research models This work compels the current wave in sexuality studies to be more inclusive of ethnic minorities and sets an agenda that policy makers and researchers will find invaluable
