

## **SOME PEOPLE SAY WE CRAFT OUR BOATS WITH THE SLOWEST TOOLS IN THE INDUSTRY.**

Then we wax and buff each boat by hand to a mirror-smooth finish.

The result? The consistent wake, spray and tracking that have made American Skier famous on the tournament circuit. And a sleek exterior that captivates the eye with its elegant lines.

From an engineering viewpoint, our vision is nothing less than inspired. The orthopedically designed driver's seat that soothes the back. Our exclusive clamshell motor box that opens two ways to allow easy engine access. Whisper Drive™, an innovative sound-insulation system that brings boating to its quietest levels.

These and other features compelled the American Water Ski Association to judge our Advance "the standard against which all boats should be measured."

These standards do not take shape overnight. Indeed, some companies will produce more ski boats this year than we have since American Skier was founded in 1977.

But speed has never been the measure by which a masterpiece is created.

Join the discriminating skiers who insist on American Skier. Call or write us for the number of your local dealer.

American Skier Boat Corporation, 301 Enterprise Drive, Ocoee, Florida 32761.  
(407) 656-3332.

At American Skier, we still believe the most rewarding pleasures are worth waiting for. Which is why we take the time to handcraft every ski boat we design.

Our skilled artisans hand laminate every ounce of fiberglass with custom-blended premium-grade resins. Not just the hull, but the deck.

The seat. The motor box. Every minute detail.
