American Pageant 12th Edition Wiki:

The Promise of Beauty Mimi Thi Nguyen, 2024-09-20 In *The Promise of Beauty* Mimi Thi Nguyen explores the relationship between the concept of beauty and narratives of crisis and catastrophe. Nguyen conceptualizes beauty which she observes we turn to in emergencies and times of destruction as a tool to identify and bridge the discrepancy between the world as it is and what it ought to be. Drawing widely from aesthetic and critical theories, Nguyen outlines how beauty or its lack points to the conditions that must exist for it to flourish. She notes that an absence of beauty becomes both a political observation and a call to action to transform the conditions of the situation so as to replicate, preserve, or repair beauty. The promise of beauty can then engender a critique of social arrangements and political structures that would set the foundations for its possibility and presence. In this way, Nguyen highlights the role of beauty in inspiring action toward a more just world.
