Violent America Ariane Chebel d'Appollonia, 2023-02-15 In Violent America Ariane Chebel d'Appollonia counterintuitively analyzes why and how various ethnoracial groups proactively and instrumentally use different forms of violence to achieve their goals Combining a historical analysis spanning the centuries with an examination of contemporary problems she considers how and why ethnoracial groups can be both perpetrators and victims of violence why some minority groups react differently to violence in

comparable situations and what the consequences are today for politics in both America and Europe Violent America thus explores the effects of physical and discursive violence on the ways in which ethnoracial groups define themselves Chebel d Appollonia argues that the use of ethnoracial violence has been and remains an effective identity strategy by which all ethnoracial groups are able to integrate themselves into the mainstream of American society She provides an alternative way of understanding the complex relationship between migrant phobia multiethnic grievances and intergroup conflicts in America

America's Original Sin Jim Wallis, 2016-01-12 America's problem with race has deep roots with the country's foundation tied to the near extermination of one race of people and the enslavement of another Racism is truly our nation's original sin It's time we right this unacceptable wrong says bestselling author and leading Christian activist Jim Wallis Fifty years ago Wallis was driven away from his faith by a white church that considered dealing with racism to be taboo His participation in the civil rights movement brought him back when he discovered a faith that commands racial justice Yet as recent tragedies confirm we continue to suffer from the legacy of racism The old patterns of white privilege are colliding with the changing demographics of a diverse nation The church has been slow to respond and Sunday morning is still the most segregated hour of the week In America's Original Sin Wallis offers a prophetic and deeply personal call to action in overcoming the racism so ingrained in American society He speaks candidly to Christians particularly white Christians urging them to cross a new bridge toward racial justice and healing Whenever divided cultures and gridlocked power structures fail to end systemic sin faith communities can help lead the way to grassroots change Probing yet positive biblically rooted yet highly practical this book shows people of faith how they can work together to overcome the embedded racism in America galvanizing a movement to cross the bridge to a multiracial church and a new America

The Trumping of America Pamela Hines, 2018-08-02 Trump alone is not to blame How does it reflect on North American societal values when wealth trumps humanity selfish individualism trumps compassion the need to be entertained and to win trumps the truth and racism and misogyny are rewarded with the most powerful position in the world The political rise of Donald Trump from the cutthroat Republican primary process to his move to the White House has ushered in a new age of politics in the United States This is a comprehensive analysis of the events surrounding the 2016 presidential election and the unprecedented first year of Donald Trump's presidency Pamela Hines highlights the growing distortion of American democracy which threatens political systems around the world As a Canadian living just across the border Hines provides a unique perspective on the international impact of the election explores the roles of religion racism nationalism and gender bias and critiques the media and its reckless coverage of Trump's ascension The Trump presidency is a wake up call to citizens of the free world Democracy is at risk yet power remains in the hands of the people This assault on democracy can be curtailed only if voters make informed decisions and understand the consequences of their choices while they still have the right to choose

Israel Disarmed Mark W. Smith, 2024-05-14 Where was the army Where were the police Where was the state An Israeli mother on the 10 7 attacks America s anti gun lobby wants you to leave guns to the professionals The police and military will protect you they say Really Ask the people of Israel how well that worked out for them On October 7 2023 Hamas terrorists murdered 1 200 Israelis in cold blood Civilians waited in anguish for the army or police to rescue them Why Because the country s restrictive gun laws left most people unarmed The Israeli government made an immediate about face after October 7 They loosened gun laws to allow as many citizens as possible to arm themselves So why are America s anti gun extremists so determined to brush aside the Constitution and force you to turn in your guns The lesson from Israel s experience should be clear If you wait until catastrophe comes it s too late

I Can't Breathe David Horowitz, 2021-10-05. *THE TRUTH ABOUT THE BLACK LIVES MATTER MARTYRS* This book is essential. Don't miss it. MARK LEVIN: A brilliant examination of the actual facts of the George Floyd case and the subsequent exploitation of his death by Black Lives Matter. LEO TERRELL: civil rights attorney commentator. In his latest salvo in the battle for America's survival, David Horowitz exposes the racial hoax that is spawning riots and dividing the nation. Examining the twenty-six most notorious cases of police racism, from Trayvon Martin and Michael Brown to George Floyd and Breonna Taylor, Horowitz demonstrates that Black Lives Matter has lied about every one of them in its quest to undermine law and order, fuel race hatred, and destroy America. In case after case, the lies and mythmaking break down under Horowitz's scrutiny. Even the chief

prosecutor in the George Floyd case was forced to admit that he had no evidence of racial bias while Breonna Taylor the longtime accomplice of a major drug dealer was killed when she and her boyfriend resisted arrest The unchallenged myths about racist murders by the police have brought mayhem and crime to our cities where the victims are predominantly black They are also a slander against the United States the least racist country in history and against black Americans the vast majority of whom are successful and law abiding citizens Now the Biden administration has embraced the false narrative of systemic racism and white supremacy which supposedly infect every aspect of American life using it to justify a witch hunt for domestic terrorists Most Americans black and white know in their bones that this portrayal of their country is a lie An unflinching and courageous accounting I Can t Breathe is the urgently needed proof that they are right American Government Scott F.
