Anthologizing Poe Emron Esplin, Margarida Vale de Gato, 2020-08-06 This collection explores how anthologizers and editors of Edgar Allan Poe play an integral role in shaping our conceptions of Poe as the author we have come to recognize revere and critique today In the spheres of literature and popular culture Poe wields more global influence than any other U S author This influence however cannot be attributed solely to the quality of Poe's texts or to his compellingly tragic biography Rather his continued prominence as a writer owes much to the ways that Poe has been interpreted portrayed and packaged by an extensive group of mediators ranging from anthologizers editors translators and fellow writers to literary critics filmmakers musicians and illustrators In this volume the work of presenting Poe s texts for public consumption becomes a fascinating object of study in its own right one that highlights the powerful and often overlooked influence of those who have edited anthologized translated and adapted the author's writing over the past 170 years of African American Short Fiction Kenton Rambsy, 2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives The Geographies of African American Short Fiction seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset The Geographies of African American Short Fiction explores how editorial practices shaped the canon of African American short fiction A New Book of the Grotesques Robert Dunne, 2005 Sherwood Anderson remembered chiefly as a writer of short stories about life in the Midwest at the turn of the century was acknowledged as an innovator of the short story form This book looks at Anderson's early fiction from contemporary interpretative methodologies particularly from poststructuralist approaches Representing Children in Chinese and U.S. Children's Literature Claudia Nelson, Rebecca Morris, 2016-04-08 Bringing together children's literature scholars from China and the United States this collection provides an introduction to the scope and goals of a field characterized by active but also distinctive scholarship in two countries with very different rhetorical traditions. The volume s five sections highlight the differences between and overlapping concerns of Chinese and American scholars as they examine

children's literature with respect to cultural metaphors and motifs historical movements authorship didacticism important themes and the current status of and future directions for literature and criticism Wide ranging and admirably ambitious in its encouragement of communication between scholars from two major nations Representing Children in Chinese and U S Children's Literature serves as a model for examining how and why children's literature more than many literary forms circulates internationally Canons and Contexts Paul Lauter, 1991 The essays in this volume represent the author's effort to reconstruct American literature by establishing a theory of canonical criticism which aims to open up the canon of American literature to the works of women minorities and working class writers **Literature in English** Dominic Rainsford, 2020-05-19 Literature in English How and Why is an accessible guide for students It deals with the fundamental concepts of literary form and genre the history of English language literature from the medieval period to the present relations between the study of literature and other disciplines literary theory researching a topic and writing a paper This new edition contains a brand new chapter which takes literary theory to another level using it to link literature to the issues that concern us most whether in our own lives or in the UN's Sustainable Development Goals The book has also been fully updated throughout with significant additions to the introduction and further reading sections Overall Literature in English Grounds the study of literature throughout by referencing a selection of well known novels plays and poems Examines the central questions that readers ask when confronting literary texts and shows how these make literary theory meaningful and necessary Links British American and postcolonial literature into a coherent whole Discusses film as literature and provides the basic conceptual tools needed to study film within a literature course framework Places particular emphasis on interdisciplinarity by examining the connections between the study of literature and other disciplines Links literary theory to current global challenges placing special emphasis on new and evolving approaches such as ecocriticism new materialism and the spatial turn Provides extensive guidance on further reading Written in a clear and engaging style this is an essential guide for literature students around the world A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century Samuel Austin Allibone, 1892 "A" Critical Dictionary of English Literature and British and American Authors, Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century S. Austin Allibone, 1874 African American Literature in Transition, 1900-1910: Volume 7 Shirley Moody-Turner, 2021-05-13 African American Literature in Transition 1900 1910 offers a wide ranging multi disciplinary approach to early twentieth century African American literature and culture It showcases the literary and cultural productions that took shape in the critical years after Reconstruction but before the Harlem Renaissance the period known as the nadir of African American history It undercovers the dynamic work being done by Black authors painters photographers poets editors boxers and entertainers to shape New Negro identities and to chart a new path for a new century The book is structured into four key areas Black publishing and print culture innovations in genre and form the race class and gender politics of literary and cultural production and new geographies of Black literary history These overarching themes along with the introduction of established figures and movement alongside lesser known texts and original research offer a radical re conceptualization of this critical but understudied period in African American literary history Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation's Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature Recoverina the U.S. Hispanic Literary Heritage, Volume V Kenya Dworkin y M?ndez, Agnes Lugo-Ortiz, 2006-05-31 This volume of essays marks the fifteenth year of archival and critical work conducted under the auspices of the Recovering the U S Hispanic Literary Heritage Project at the University of Houston This ongoing and comprehensive program seeks to locate identify preserve and disseminate the literary contributions of U S Latinos from the Spanish Colonial Period to contemporary times

The contributors explore key issues and challenges in this project such as the issue of its legitimacy and acceptance in teh academic canon whether the basic archival phase of the Recovery Project is complete and if teh assumption that there is widespread recognition of the existence and vitality of a centuries long U S Hispanic literary tradition may be premature and perhaps imprudent Originally presented at the biennial conferences of the Recovery project the essays are divided in five sections Rethinking Latino a Subject Positions Negotiating Cultural Authority and the Canon Orality Performance and the Archive Re Contextualizing Maria Amparo Ruiz de Burton and Bibliographic Reports Covering a wide range of topics essays include Bending Chicano Identity and Experience in Arturo Isla s Early Borderland Short Stories Recovering Mexican America in the Classroom and Early New Mexican Criticism The Case of Breve Resena de la literatura hispana de Nuevo Mexico y Colorado In their introduction editors Kenya Dworkin y Mendez and Agnes Lugo Ortiz give an overview of the editorial framing of the previous volumes in the series and discuss the significant research issues and agendas raised over the past fifteen years This volume like the ones that precede it is bilingual confirming the cultural politics that have animated the Recovery Project since its inception the understanding that the U S is a complex multicultural and multilingual society

A Critical Dictionary of English Literature, and British and American Authors Samuel Austin Allibone, 1870 Native North Americans in Literature for Youth Alice Crosetto, Rajinder Garcha, 2013-09-12 Native North Americans have rich and diverse cultures and traditions However many misconceptions prejudices and stereotypes exist due to the lack of understanding and ignorance of these cultures It is important that children and adolescents learn about and appreciate the invaluable contributions that North American Native groups have made to American society Equally important is the availability of resources that accurately and objectively portray the historical events that occurred when European settlers displaced thousands of Native North Americans from their ancestral homelands In Native North Americans in Literature for Youth Alice Crosetto and Rajinder Garcha identify hundreds of appropriate and quality resources including books Internet sites and media titles for K 12 students and educators Entries are subdivided into chapters covering geographic regions history religions social life customs and traditions nations oral tradition biographies and fiction Additionally there are chapters for general reference resources curricular resources for educators media and Internet sites Annotations provide complete bibliographical descriptions of the entries and each entry is identified with the grade level for which it is best suited Reviews awards series and URLs for supplemental online resources are also included Anyone especially students teachers librarians and parents interested in locating useful and accurate resources regarding Native North Americans will find this reference book a helpful and essential tool
