The American Economy: A Student Study Guide Wade L. Thomas, Robert B. Carson, 2015-03-26 A student study guide to accompany the principle work *The American economy* how it works and how it doesn't *The American Economy* Wade L. Thomas, *American Government* Scott F. Abernathy, 2017-11-27 American government is not just one story it's many stories Our stories And they are still being told In *American Government Stories of a Nation* author Scott Abernathy tunes in to the voices of America's people showing how diverse ideas throughout our nation's history have shaped our political institutions our identities the way we participate and behave the laws we live by and the challenges we face His storytelling approach brings the core concepts of government to life making them meaningful and memorable and allowing all students to see themselves reflected in the pages For the new Brief Edition Abernathy has carefully condensed and updated the content from the Full version giving you the information you need and the stories you can relate to in a more concise value oriented package **Routledge Handbook of Latin American Politics** Peter Kingstone, Deborah J. Yashar, 2013-03-05 Latin America has been one of the critical areas in the study of comparative politics The region's experiments with installing and deepening democracy and promoting alternative modes of economic development have generated intriguing and enduring empirical puzzles In turn Latin America's challenges continue to spawn original and vital work on central questions in comparative politics about the origins of democracy about the relationship between state and society about the nature of citizenship about the balance between state and market The richness and diversity of the study of Latin American politics makes it hard to stay abreast of the developments in the many sub literatures of the field The *Routledge Handbook of Latin American Politics* offers an intellectually rigorous overview of the state of the field and a thoughtful guide to the direction of future scholarship Kingstone and Yashar bring together the leading figures in the study of Latin America to present extensive empirical coverage new original research and a cutting edge examination of the central areas of inquiry in the region

American Difference Lori M. Poloni-Staudinger, Michael R. Wolf, 2019-01-31 Examining democracies from a comparative perspective helps us better understand why politics or as Harold Lasswell famously said who gets what when and how differ among democracies *American Difference A Guide to American Politics in Comparative Perspective* takes the reader through different aspects of democracy political culture institutions interest groups political parties and elections and unlike other works explores how the United States is both different from and similar to other democracies The fully updated Second Edition has been expanded to include several new chapters and discussion on civil liberties and civil rights constitutional arrangements elections and electoral institutions and electoral behavior This edition also includes data around the 2016 general election and 2018 midterm election **Mass Communication and American Social Thought** John Durham Peters, Peter Simonson, 2004-08-03 This anthology of hard to find primary documents provides a solid overview of the foundations of American media studies Focusing on mass communication and society and how this research fits into larger

patterns of social thought this valuable collection features key texts covering the media studies traditions of the Chicago school the effects tradition the critical theory of the Frankfurt school and mass society theory Where possible articles are reproduced in their entirety to preserve the historical flavor and texture of the original works Topics include popular theater yellow journalism cinema books public relations political and military propaganda advertising opinion polling photography the avant garde popular magazines comics the urban press radio drama soap opera popular music and television drama and news This text is ideal for upper level courses in mass communication and media theory media and society mass communication effects and mass media history
