Americas Galactic Foreign Legion Book Peacekeepers English Edition:

America's Galactic Foreign Legion - Book 10 Walter Knight, 2011-07-01 Blue is not Captain Joey R Czerinski's favorite color especially not to wear in the New Gobi Desert on planet New Colorado Blue doesn't blend with dust and dirt it's a beacon inviting terrorists and insurgents to take potshots at him and fellow legionnaires newly assigned as peacekeepers to control hostilities between the spiders and scorpions But whoever put Czerinski in charge of keeping the peace in this volatile area certainly didn't think things through A paranoid psychopath interested only in personal gain is not the best babysitter to keep two warring alien factions at bay With the rise of two new terrorist leaders one scorpion and one spider things heat up in a hurry with the threat of nuclear detonation But there's always a profit to be made even amid the bombings and riots even if somebody has to take a dive to fix the fight And as long as Pizza Hut and Taco Bell keep their doors open everybody'll be happy at least for a while An old foe makes another showing and scares the bejesus out of Sergeant Green and everyone else in the hallowed tunnels of the Legion's armory and detention dungeon Czerinski and his band face dangers and sometimes those dangers get the best of a few Death in war is an inevitability but the trick is to keep on laughing at Death and going about the business of being the craziest bunch of soldiers this side of the galaxy Laughter is truly the best arsenal in the tenth installment of the seriously screwy military space saga gone wrong [America's Galactic Foreign Legion: Book 6: Culture War](#) Walter Knight, 2010-12 The military science fiction saga takes a new turn as Colonel Joey R Czerinski and his division of legionnaires just trying to maintain peace in planet New Colorado's New Gobi Desert find themselves in the midst of more skirmishes with their spider alien foes The spider Arthropodan Emperor declares war on American culture hoping to preserve Arthropodan traditions and avoid cultural contamination from the American way of life Tasked with carrying out the Emperor's new strategy the spider Governor of the North Territory takes his responsibility seriously by ordering the spider marine commander in the New Gobi sector to put a halt to interspecies trade The spider commander complies by confiscating all incoming US merchandise flowing over the border between Legion controlled and spider controlled areas of the Demilitarized Zone But despite the spider commander's best efforts the new generation of Arthropodan citizens on New Colorado have already adopted many American cultural icons including the Nike Swoosh and skateboarding Addicted to Starbucks coffee the spider commander can't see he's a victim of cultural contamination as well As the cultural war escalates Czerinski deals with everything in his own unique way by overreacting and alienating those closest to him But this conflict is bigger than even Czerinski suspects and the revolution grows stronger while the laughs keep coming [America's Galactic Foreign Legion - Book 8: Allies](#) Walter Knight, 2011-04 The latest war between the United States Galactic Federation and the Arthropodan Empire is over and humans and spiders are now allies bound by a treaty Before anyone can enjoy the tentative time of peace the scorpions reappear with a vengeance In response to the treaty agreement between the new allies Colonel Joey R Czerinski and his band of miscreant legionnaires are sent on a side trip to a

terraformed Arthropodan asteroid to help the spiders battle the scorpions With their usual serendipitous screw ups the legionnaires manage to convince the scorpions to surrender Those who were enemies become allies and vice versa Another alien species makes a cameo appearance and the return of a feared nemesis puts everyone on alert as the laughs continue in this eighth installment of the military space saga gone wrong **America's Galactic Foreign Legion - Book 7: Enemies**

Walter Knight,2011-02 The military science fiction saga twists like a snake trying to bite its own tail in this seventh installment Even the paranoid have enemies Colonel Joey R Czerinski knows this being both paranoid and having enemies himself some of whom he even calls friends While he goes about his usual routine as local Legion commander at the DMZ on planet New Colorado he also is busy fixing football and baseball games placing outrageous bets cheating others mocking the media weaseling out of trouble with his superiors and generally pissing off everyone around him Foes new and old do their best to exact the revenge they believe he fully deserves This only confirms Czerinski s motto Just because you re paranoid doesn t mean they aren t after you To complicate matters the appearance of a new alien species on the galactic horizon threatens to make life even more difficult on planet New Colorado Can human and spider enemies make a tentative pact to work together and beat back this new threat as they did the marauding ants Or is New Colorado doomed to be overrun and exploited in yet another violent contest of superiority **America's Galactic Foreign Legion - Silent Invasion (Book 3)**

Walter Knight,2010-08 In this third installment the situation deteriorates for the human population as the Arthropodan Empire plots to sieze increasing control of the planet in a campaign of silent invasion Captain Joey Czerinski realizes he can t trust anyone including longtime cohort Lieutenant Manny Lopez and the only way to restore the Legion s control of the planet is to take a dive and throw the fight literally **America's Galactic Foreign Legion - Feeling Lucky (Book 1)**

Walter Knight,2010-01 Habitual gambler Joey Czerinski bets it all for a chance to get away from loan sharks But he loses and finds himself an unwilling recruit in a galactic war against a spider like enemy bent on ending the human race Is his number up or will his luck hold out **America's Galactic Foreign Legion - Book 12: The Ark** Walter Knight,2011-09-01 When a huge ship is found buried deep beneath a desert oasis in an unpopulated area of New Colorado s New Gobi Desert the race is on between the United States Galactic Federation and the Arthropodan Empire to claim its secrets General Manny Lopez simply wants to loot the technological treasure However the spiders believe the ship is the mythical Ark from their tales of old As Caldera Lake is suddenly overrun by the Galactic Foreign Legion and spider marines setting up camp on opposite sides of the line of demarcation running through the middle of the lake it s soon discovered that the tranquil looking oasis does not offer a relaxing resort setting Something s swimming in the lake and it s hungry Despite the danger hotels and restaurants spring up to handle the influx of tourists and the curious making pilgrimages to catch a glimpse of the Ark The race between the two sides continues amid disagreements and skirmishes unavoidable in a clash of cultural differences But it s all done in a sportsmanlike manner at least that s what Colonel Joey R Czerinski The Toe and General Manny The Ear Lopez claim Hungry

crocs graffiti taggers midnight commando raids tawdry torture and lots of fried chicken all take a turn fuelling the laughter in this twelfth tale of the seriously silly military space saga Bonus story VAMPIRE IN THE OUTFIELD included first time in print *America's Galactic Foreign Legion - Book 2* Walter Knight, 2016-05-26 Decorated war hero or war criminal guilty of atrocities It depends on who's passing judgment on ex legionnaire Joey Czerinski The story of this lucky gambler turned soldier turned casino boss picks up as he and his business partner Manny Lopez find themselves broke and devastated after their business holdings are completely destroyed by continuing spider insurgent activity Hidden deep underground beneath the rubble of their once profitable casino is a big big secret that could solve their sudden financial problems but neither Czerinski nor Lopez can figure out how to drum up the manpower and funding to unearth it Forced to find a quick source of money for a loan Czerinski and Lopez are lured back to the Legion by their old friend the slick talking legionnaire recruiting ATM And then the real trouble begins Follow Czerinski and his pals through their ups and downs and continual serendipitous surprises in the next installment of this ongoing satirical politically incorrect sweeping military space opera *America's Galactic Foreign Legion - Demilitarized Zone (Book 4)* Walter Knight, 2010-10 The sweeping satirical military space saga continues Decorated war hero Captain Joey R Czerinski of the United States Galactic Foreign Legion faces new challenges when he and his platoon are ordered to planet New Colorado's New Gobi Desert to guard the demilitarized zone dividing human occupied territory from areas claimed by the Arthropodan Empire A new alien spider commander and nephew of the Arthropodan Emperor creates more headaches for Czerinski with his strict policies and competitive attitude In the wake of his many ill formed decisions a young local militia hero emerges giving Czerinski and his platoon even more trouble to deal with But it is all water under the desert as Czerinski takes everything in stride and plays a deadly game of tit for tat and one upmanship with the spider commander to maintain order in the volatile DMZ With chupacabra Walmart and McDonald's thrown into the mix the fourth installment of this politically incorrect military space opera aims straight for the funny bone

America's Galactic Foreign Legion - Book 14 Walter Knight, 2011-12 Colonel Joey R Czerinski's back like a bad penny The Hero of the Legion and Butcher of New Colorado is assigned to the Arthropodan Empire home world to guard the lavish United States Galactic Federation Embassy in Capital City while also acting as a spy for General Lopez and the CIA Things start out reasonably well considering Czerinski's reputation with the spiders During a Harlem Globetrotters exhibition game the usual sports betting ensues despite staunch spider resistance to Americanized cultural contamination Things get out of hand when a spider riot erupts Later an old friend stops by Czerinski's office and creates mischief that burns down the embassy Immediately Czerinski blames the spiders But real trouble's on the table when a legionnaire and member of the scorpion persecuted Mantidae disappears at the Scorpion Embassy right before the Scorpion Ambassador invites the USGF Ambassador and staff to an Old Earth traditional Thanksgiving meal with all the fixins including what they assume is turkey Later Czerinski's reassigned to a plum job back on New Colorado watching a volcano His former terrorist girlfriend and their

teen son show up Like father like son Joey Junior proves to be a handful of disciplinary problems looking for a place to happen just in time for the imminent birthing of a new hybrid exoskeleton species Eventually Czerinski discovers the spiders are tapping the volcano s power to develop a new technology that could change everything With the usual inappropriate aplomb Czerinski and crew take political incorrectness to a laughably absurd level in this fourteenth installment of the mind damaging military space opera America's Galactic Foreign Legion - Reenlistment (Book 2) Walter Knight,2010-04 After the war gambler turned soldier turned casino owner Joey Czerinski and his business partner Manny Lopez find themselves bankrupt after continued spider insurgency acts leave their casino in rubble Under the rubble lies a big secret that could solve their financial problems But in order to recover it they need lots of money and the only way to get that is to reenlist in the Legion **America's Galactic Foreign Legion - Book 22: Blue Powder War** Walter Knight,2015-10-18 In the twenty second installment of this preposterous science fiction series Colonel Joey R Czerinski still has his hands full trying to keep the drug trade and the Arthropodan spider commander under control on planet New Colorado After Major Manny Lopez used the time machine to bring two grade A cooks from the past to concoct a special recipe of blue powder to be distributed on New Colorado the drug trade has really exploded With Legion enlistments down the draft is reinstituted and Czerinski plucks likely victims from every quarter as his Polish ancestry rears its ugly head in the form of a Polish drug cartel Struggling to get the drug lords on New Colorado under control Czerinski lands in more trouble with more bad press The Butcher of New Colorado is as unaware and ineffectual as ever in handling the situation Can he keep it together long enough to make another successful wager on football this time a game between guards and prisoners at the local jail Familiar faces make appearances along with new ones including a talking groundhog Has Czerinski s insanity rendered him the only one who can understand what Mr Groundhog has to say Even as the war on drugs draws to a close and Czerinski contemplates retirement from the glorious life of a legionnaire the laughs continue He s in for the duration
