Among the Head-Hunters of Formosa (Classic Reprint) Janet B. Montgomery McGovern, 2017-10-26 Excerpt from Among the Head Hunters of Formosa TO treat her as a goddess has always been accounted a sure way of winning a lady's favour To the cynic therefore it might seem That Mrs McGovern was bound to speak well of her head hunting friends of the Formosan hills seeing that they welcomed her With a respect that bordered on veneration But of other head hunters hailing say from Borneo or from Assam anthropologists have reported no less well and that though the investigators were accorded no divine honours The key to a just estimate of savage morality is knowledge of all the conditions A custom that considered in itself is decidedly revolting may on further acquaintance with the state of culture as a whole turn out to be if not praiseworthy at least a drawback incidental to a normal phase of the ruder life of mankind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Among the Head-Hunters of Formosa Janet B.
