Their presence in red light districts and sexual venues is at odds with the ways in which sexual spaces have normally been positioned Woman and Sex Tourism Landscapes explores female tourists interactions with highly sexualized spaces and places in two very different contexts the Netherlands and Thailand Addressing this incongruence this text explores the ways in which these spaces are constructed and examines the different relations that govern the management of and female tourist interactions with these liminal sexual zones Ethnographic data collected in both countries suggests that far from being male centred spaces the red light districts and associated sexual entertainment venues are very much open to female tourists Drawing on this research the author argues that some women are indeed interested in exploring sexualized zones challenging assumptions about women's involvements with sexual space Thinking specifically about the visual nature of women's sexualized experiences the analysis draws on a range of different theoretical understandings that address power privilege and the gaze An important contribution to a range of debates this book will appeal to students and researchers in tourism geography sociology gender studies and cultural theory Kindle Fire: The Missing Manual Peter Meyers, 2012-02-21 Enter a bright new world of entertainment with Amazon's red hot tablet This guide lights the way with lots of illustrations and step by step instructions for browsing the Web emailing playing games and viewing books movies and magazines in blazing color Learn how to manage your media library on the Fire and in the cloud and where to find the coolest apps Note This first edition of Kindle Fire The Missing Manual covers only the original Kindle Fire sold between November 2011 and September 2012 For later models please see Kindle Fire The Missing Manual 2nd edition The important stuff you need to know Read all about it Find

clear and easy to read Dummies guide has your back Heritage, Screen and Literary Tourism Sheela Agarwal, Gareth Shaw, 2017-11-15 This book examines the main issues and concepts relating to heritage screen and literary tourism HSLT and provides a comprehensive understanding and evaluation of these three forms of tourism in the context of global tourism development It analyses the demand and supply of HSLT within the frameworks provided by service dominant logic and value creation to enable a critical perspective on how HSLT tourist experiences are created produced and shaped The volume explores the challenges which relate to the role of the consumer in the co creation of the tourist experience and the implications this has for the development marketing interpretation consumption planning and management of HSLT It will appeal to researchers and students of heritage tourism film and literary tourism media driven tourism tourism planning and destination development and management The Unofficial Guide to Washington, D.C. Eve Zibart, Renee Sklarew, Len Testa, 2016-02-23 A guide to hotels and attractions in Washington D C Liminality in Tourism Robert S. Bristow, Ian Jenkins, 2021-09-05 Liminality is not typically associated with tourism even though it can be viewed as an intrinsic element of the social cultural experiences of tourism Liminality in Tourism Spatial and Temporal Considerations aims to build upon the tradition of liminality as expounded in social and anthropological disciplines elaborating on the theoretical principles and concepts found within certain aspects of the tourist journey and tourist product The emergence of post modern society has impelled a change in the tourist gaze towards a more experiential and adventuresome globalised experience An important aspect of the tourist phenomenon of liminality is where a transformative experience is triggered by entering a liminoid tourist space leaving the tourist permanently psychologically transformed before returning to normalised society. The narrative provides a new perspective on the tourist experience with a provocative examination into the multidimensional aspects of tourism by exploring tourism within the spatial and temporal aspects of liminal landscapes Covid 19 has further changed the rubric of tourism Until the current pandemic tourism has basically been a fun experience In a post pandemic world however the tourist is now facing an unknown future which will almost certainly affect tourism liminality. This book presents the reader with a wealth of examples and case studies closely illustrating the association between tourism and liminal experiences The geographical perspectives explore the more subconscious outcomes of destination and tourist product consumption The book should be a useful reader to tourism geography where the theory of liminality can be synthesized into tourist experiences The chapters in this book were originally published as a special issue of the journal Tourism Geographies

Time Out Amsterdam The Editors of Time Out,2014-11-17 Europe s most infamous city remains one of its most popular and not without good reason between its world class art museums its eminently wanderable canals and its coffee shops that don't exactly specialize in coffee its variety is glorious indeed However with one of Europe's more forward thinking cultural scenes and striking new architectural developments in IJburg and the Bijlmermeer there's much more here to enjoy than the clich's written researched and edited entirely by locals the Time Out Amsterdam guide will tell travelers all about it

Highlights Amsterdam after dark the best restaurants bars and nightclubs in the city but also the ones to avoid Mini guides to the city's most notable works of art and where to find them An unmatched section on the city's modern day cultural scene galleries and performance art classical music and theater An in depth look at the city's stunning new urban architecture Trips Beyond Amsterdam to the flower auction in Aalsmeer the cheese market at Gouda and the windmills of Alblasserdam and also to the fizzing modern city of Rotterdam At Home in Holland, 2009 Handleiding voor Engelstaligen die zich in Nederland gaan vestigen Grey Area Scott Jacques, 2019-05-01 Coffeeshops are the most famous example of Dutch tolerance But in fact these cannabis distributors are highly regulated Coffeeshops are permitted to break the law but not the rules On the premises there cannot be minors hard drugs or more than 500 grams Nor can a coffeeshop advertise cause nuisance or sell over five grams to a person in a day These rules are enforced by surprise police checks with violation punishable by closure In Grey Area Scott Jacques examines the regulations with a huge stash of data which he collected during two years of fieldwork in Amsterdam How do coffeeshop owners and staff obey the rules How are the rules broken Why so To what effect The stories and statistics show that order in the midst of smoke is key to Dutch drug policy vaporising the idea that prohibition is better than regulation Grey Area is a timely contribution in light of the blazing reform to cannabis policy worldwide Praise for Grey Area This book is original and highly topical Logical and well structured the discussion is firmly located in a large body of contemporary theory. The writing style is conversational open and accessible The quality amount and depth of the empirical work that Jacques has undertaken made me feel that I was there visiting the coffeeshops with him Rarely have I seen something as careful and detailed as this work Ronald V Clarke Rutgers University USA This book examines the intricacies of operating between law and rules in Amsterdam coffeeshops Based on an extensive fieldwork it is arguably the most comprehensive criminological analysis of the issue to date This is an important work from an excellent writer that I warmly recommend to both students and researchers Kim M ller Malm University Sweden Overtourism Harald Pechlaner, Elisa Innerhofer, Greta Erschbamer, 2019-09-02 Overtourism explores a growing phenomenon in tourism that is currently creating tensions in both urban and rural tourist destinations worldwide This volume proposes a framework for a series of possible solutions and management strategies for dealing with overtourism and the various negative impacts that large quantities of tourists can impose Questioning the causes of this phenomenon such as increased prosperity and mobility technological development issues of security and stigma for certain parts of the world and so on this book supposes that better visitor management strategies and distribution of tourists can offset the negative impacts of overtourism Individual chapters focus on a range of destinations including Venice Barcelona and Dubrovnik as well as UNESCO cultural and natural heritage sites where local political actors and public authorities are not always able to deal with the situation effectively Integrating research and practice this book will be of great interest to upper level students researchers and academics in tourism development studies cultural studies and sustainability as well as professionals in the field of tourism
