

An Eerie Familiar

Victoria McCollum

An Eerie Familiar:

The Oxford Handbook of Sound and Image in Digital Media Carol Vernallis, Amy Herzog, John Richardson, 2015 This collection surveys the contemporary landscape of audiovisual media Contributors from image and sound studies explore the history and the future of moving image media across a range of formats including blockbuster films video games music videos social media experimental film documentaries video art pornography theater and electronic music *Masculinity and Place in American Literature since 1950* Vidya Ravi, 2019-05-15 American literature has long celebrated the figure of the self made man and the idea of establishing selfhood particularly male selfhood in nature However during the crisis of masculinity that swept across America in the middle of the twentieth century a generation of writers started exploring a different kind of a man This was a figure who was concerned not so much with the loss of the West or the desire to recover a wilderness but with how to live in an ordinary domesticated continent *Masculinity and Place in American Literature since 1950* explores the role of place in negotiating reinforcing and subverting articulations of hegemonic masculinity in the work of four American writers from the latter part of the 20th century John Cheever John Updike Raymond Carver and Richard Ford The book argues that American fiction by white male writers between the 1950s and the present day is compelled by the troubled and troubling relationship between masculinity and place This relationship is deeply embedded in how ideals of masculinity are predicated upon the experience of the physical world and how the symbolic logic of masculinity is continually subverted by alternative conceptions of dwelling and ecological consciousness *Phallic Panic* Barbara Creed, 2015-08-18 Vampires werewolves cannibals and slashers why do audiences find monsters in movies so terrifying In *Phallic Panic* Barbara Creed ranges widely across film literature and myth throwing new light on this haunted territory Looking at classic horror films such as *Frankenstein* *The Shining* and *Jack the Ripper* Creed provocatively questions the anxieties fears and the subversive thrills behind some of the most celebrated monsters This follow up to her influential book *The Monstrous Feminine* is an important and enjoyable read for scholars and students of film cultural studies psychoanalysis and the visual arts *The Fuller Memorandum* Charles Stross, 2010-07-06 View our feature on Charles Stross The Fuller Memorandum National bestselling author Charles Stross brings back Bob Howard a British super spy with a long term girlfriend no fashion sense and an aversion to martinis *San Francisco Chronicle* Bob Howard is taking a much needed break from the field to catch up on his filing in The Laundry's archives when a top secret dossier known as The Fuller Memorandum vanishes along with his boss who the agency's executives believe stole the file Determined to discover exactly what the memorandum contained Bob runs afoul of Russian agents ancient demons and the apostles of a hideous faith who have plans to raise a very unpleasant undead entity known as the Eater of Souls **The Uncanny in Language, Literature and Culture** Sarah Stollman, Charlie Jorge, Catherine Morris, 2024-09-09 In his attempts to define the uncanny Sigmund Freud asserted that the concept is undoubtedly related to what is frightening to what arouses dread and horror Yet the sensation is prompted simultaneously by

something familiar establishing a sense of insecurity within the domestic even within the walls of one's own home. This disturbance of the familiar further unsettles the sense of oneself. A resultant perturbed relationship between a person and their familiar world, the troubled sense of home and self certainty can be the result of a traumatic experience of loss and of unresolved pasts resurfacing in the present. Memory traces are revised and interwoven with fresh experiences producing an uncanny effect. As an externalization of consciousness the uncanny becomes a meta concept for modernity with its disintegration of time space and self. The papers in this book seek to explore the representations of the uncanny in language literature and culture applying the origins of the concept to a range of ideas and works.

What is Literature? Mark Robson, 2020-02-11. An essential guide to understanding literary theory and criticism in the European tradition. What is Literature? A Critical Anthology explores the most fundamental question in literary studies. What is literature? is the name of a problem that emerges with the idea of literature in European modernity. This volume offers a cross section of modern literary theory and reflects on the history of thinking about literature as a specific form. What is Literature reveals how ideas of the literary draw on the foundations of Western thought in ancient Greece and Rome charting the emergence of modern literature in the eighteenth century and including selections from the present state of the art. The anthology includes the work of leading writers and critics of the last two thousand years including Plato, Henry James, Virginia Woolf, Edward Said, Gayatri Chakravorty Spivak, Jacques Rancière and many others. The book is an insightful examination of the nature of literature, its meanings and values, functions and forms, provocations and mysteries. What is Literature brings together in one volume influential and intriguing essays that show our enduring fascination with the idea of literature. This important guide contains a broad selection of the most significant texts on the topic of literature. Includes leading writers from ancient times to the most recent thinkers on literature and criticism. Encourages readers to reflect on the varied meanings of literature.

What is Literature? A Critical Anthology is a unique collection of texts that will appeal to every student and scholar of literature and literary criticism in the European tradition.

Life and Death in Freud and Heidegger Havi Carel, 2006. Life and Death in Freud and Heidegger argues that mortality is a fundamental structuring element in human life. The ordinary view of life and death regards them as dichotomous and separate. This book explains why this view is unsatisfactory and presents a new model of the relationship between life and death that sees them as interlinked. Using Heidegger's concept of being towards death and Freud's notion of the death drive, it demonstrates the extensive influence death has on everyday life and gives an account of its structural and existential significance. By bringing the two perspectives together, this book presents a reading of death that establishes its significance for life, creates a meeting point for philosophical and psychoanalytical perspectives and examines the problems and strengths of each. It then puts forth a unified view based on the strengths of each position and overcoming the problems of each. Finally, it works out the ethical consequences of this view. This volume is of interest for philosophers, mental health practitioners and those working in the field of death studies.

Otherworldly F.T. Lukens, 2024-04-02 A sceptic and a supernatural creature get more than they bargain for when they make crossroads deal to save themselves A perfect LGBT romantic fantasy for fans of Rainbow Rowell Margaret Rogerson and Adam Silvera Ellery doesn't believe in magic Sure they've been stuck in a five year winter but there's got to be a scientific explanation for that They're more concerned with working hard to send money back to the family farm than with whether there's a goddess out there who could put a stop to it Knox has been trapped in the human realm for years In service to a powerful witch for a decade Knox is finally freed when her crossroads deal meets its terms But Knox isn't sure he wants to return to the Other World especially since his queen seems to have abandoned him When a chance encounter finds Ellery coming to Knox's rescue they're suddenly face to face with a annoyingly attractive guy who claims to be a supernatural familiar something they definitely don't believe But Ellery needs a way to stop the endless winter and save their family farm and Knox needs a human who can tether him to their realm A crossroads deal can't go wrong can it Funny subversive romantic fantasy from New York Times bestselling author F T Lukens Look out for So This is Ever After In Deeper Waters and Spell Bound

Empire of Dreams Andrew Gordon, 2008 Empire of Dreams is the first definitive look at all of the science fiction SF fantasy and horror films directed by Steven Spielberg one of the most popular and influential filmmakers in the world today In the 1970s and 1980s along with George Lucas Spielberg helped spark the renaissance of American SF and fantasy film and he has remained highly productive and prominent in these genres ever since SF fantasy and horror films form the bulk of his work for over thirty years of the twenty six theatrical features he directed from 1971 to 2005 sixteen are of these genres a coherent and impressive body of work His films have become part of a global consciousness and his cinematic style part of the visual vocabulary of world media

Gothic television Helen Wheatley, 2017-06-01 Gothic television is the first full length study of the Gothic released on British and US television An historical account the book combines detailed archival research with analyses of key programmes from Mystery and Imagination and Dark Shadows to The Woman in White and Twin Peaks and uncovers an aspect of television drama history which has until now remained critically unexplored While some have seen television as too literal or homely a medium to successfully present Gothic fictions Gothic television argues that the genre in its many guises is and has always been well suited to television as a domestic medium given the genre's obsessions with haunted houses and troubled families This book will be of interest to lecturers and students across a number of disciplines including television studies Gothic studies and adaptation studies as well as to the general reader with an interest in the Gothic and in the history of television drama

Uncanny Fidelity James Newlin, 2023-12-19 In the field of adaptation studies today the idea of reading an adapted text as faithful or unfaithful to its original source strikes many scholars as too simplistic too conservative and too moralizing In Uncanny Fidelity Recognizing Shakespeare in Twenty First Century Film and Television James Newlin broadens the scope of fidelity beyond its familiar concerns of plot and language Drawing upon Sigmund Freud's model of the Uncanny the sudden sensation of

peculiar discomfoting familiarity this book focuses on films and series that do not selfidentify as adaptations of Shakespeare but which invoke lost even troubling aspects of the original In doing so Newlin demonstrates how the study of Shakespeare s afterlife can clarify both the historical context of his drama and its relevance for the current political moment Modeling his new approach to the critical category of fidelity Newlin closely examines four twentieth century films and tv series next to their Shakespearean counterparts within the contexts of their casting genre and reception When a director of an unconventional version of *The Tempest* for example chooses to cast a white man as either Caliban or Miranda they seemingly depart from Shakespeare s original text Yet with these casting decisions Newlin argues that *The Master* 2012 and *Brigsby Bear* 2017 eerily recall the realities of the early modern theater *The Master* unexpectedly depicts something like the mythic wild man figure that informed *The Tempest* s early colonial context while *Brigsby Bear* invokes the exploitative abusive treatment of boy actors cast in female roles on the renaissance stage Similarly by not explicitly identifying as an adaptation of *Othello* the cult comedy series *Vice Principals* 2016 17 frees itself to more faithfully capture the play s early modern comic context while also illuminating the parallels between racist discourse in Shakespeare s age and our own By reading these works as uncannily faithful adaptations Newlin articulates something like the original response of Shakespeare s audience Finally Newlin demonstrates how a filmed adaptation might itself intervene in Shakespeare s critical reception As a version of *The Winter s Tale* that ends tragically the celebrated film *Manchester By The Sea* 2016 effectively rebuts Stanley Cavell s celebrated reading of Shakespeare s romance Recognizing the parallels between *Manchester By The Sea* and *The Winter s Tale* Newlin argues that Shakespeare views grief and guilt as forms of certainty in contradistinction to Cavell s reading of the play as a portrait of skepticism The first extended treatment of adaptation as a form of uncanny return *Uncanny Fidelity* offers students and scholars of Shakespeare in film adaptation studies film studies and psychoanalytic theory a critical framework to further engage the matter of personal response with deeper theoretical rigor In redefining what constitutes adaptation Newlin demonstrates how the study of Shakespeare s afterlife can radically challenge our own conception of what we consider to be authentically Shakespearean

Monstrosity and the Psychoanalytic Dimensions of the Uncanny Rodrigo Gonsalves, 2025-08-27 This accessible and meticulously researched book is a philosophical study dedicated to the psychoanalytic dimension of the uncanny and the discussions on monstrosity as fundamental concepts to address contemporary experiences of anguish desire suffering and alienation Examining the uncanny in Freud and Lacan the book explores its emergence through psychoanalysis and aesthetics as well as its meta psychological implications Chapters explore the history and connection between the uncanny and monstrosity in both philosophy and psychoanalysis following on from the construction of Freud s *The Uncanny* in 1919 and focusing on these concepts through different perspectives such as Marxism Finally the book argues towards the importance of a monstrous grammar re introduced to psychoanalysis in order to sustain a specific clinical listening of our times Offering new insights and arguments on these fascinating concepts this

book will be of interest to philosophers psychoanalysts and psychologists as well as also appealing to professionals and students in the worlds of arts film and history

Make America Hate Again Victoria McCollum, 2019-06-21 Horror films have traditionally sunk their teeth into straitened times reflecting expressing and validating the spirit of the epoch and capitalising on the political and cultural climate in which they are made This book shows how the horror genre has adapted itself to the transformation of contemporary American politics and the mutating role of traditional and new media in the era of Donald Trump s Presidency of the United States Exploring horror s renewed potential for political engagement in a socio political climate characterised by the angst of civil conflict the deception of alternative facts and the threat of nuclear or biological conflict and global warming *Make America Hate Again* examines the intersection of film politics and American culture and society through a bold critical analysis of popular horror films television shows podcasts and online parodies such as 10 Cloverfield Lane American Horror Story Don t Breathe Get Out Hotel Transylvania 2 Hush It It Comes at Night South Park The Babadook The Walking Dead The Woman The Witch and Twin Peaks The Return The first major exploration of the horror genre through the lens of the Trump era it investigates the correlations between recent culturally meaningful horror texts and the broader culture within which they have become gravely significant Offering a rejuvenating optimistic and positive perspective on popular culture as a site of cultural politics *Make America Hate Again* will appeal to scholars and students of American studies film and media studies and cultural studies

Streaming Horrors Sotiris Petridis, 2025-07-17 Audiovisual content has transformed significantly with technological advancements and the rise of new media In addition to revitalizing older works by making them accessible to a broader audience streaming platforms also create exclusive original content designed specifically for online consumption This is especially evident in horror films and television new methods of narration and storytelling have enhanced the genre and streaming has made it more widely available than before This collection of essays examines audiovisual horror s adaptation to the features and audience of the digital era The essays focus on the various effects of new media in the audiovisual landscape with regard to institutions audiences and content The horror genre has undergone a rapid evolution and re invention as technology has shaped both the narratives and the ways in which consumers interact with on screen content

Imagining the Unusual Pasquale De Marco, 2025-07-10 In *Imagining the Unusual* Pasquale De Marco invites readers to embark on an extraordinary journey beyond the boundaries of the ordinary Through captivating prose the author unveils the hidden meanings and transformative power of the unusual revealing beauty in the overlooked and uncovering the invisible details that shape our reality Pasquale De Marco challenges us to question our perceptions and explore the world with a curious gaze embracing the uncharted territories of our minds and seeking inspiration in the unexpected With each chapter this book becomes a guide to unlocking the wonders that lie just beyond our grasp blurring the lines between reality and fantasy This book is more than just a collection of words it is a catalyst for personal growth inspiring us to appreciate the beauty of imperfection and to find meaning in the seemingly mundane It is a

testament to the transformative power of imagination and a celebration of the human spirit's ability to create and innovate. As we delve deeper into the depths of the unusual, we discover that it is not merely an exception to the norm but an integral part of the human experience. It is through the lens of the peculiar that we gain a profound understanding of ourselves and the world around us. Imagining the Unusual is an invitation to embrace the wonders of the uncommon and to find inspiration in the everyday. It is a reminder that even in the most familiar of places, there is always something extraordinary waiting to be revealed. This book is a journey of self-discovery, a celebration of creativity, and a testament to the power of the human spirit. It will inspire readers to see the world in a new light and to embrace the transformative power of the unusual. If you like this book, write a review.

An Introduction to Literature, Criticism and Theory Andrew Bennett, Nicholas Royle, 2014-07-10
Fresh, original, and compelling, *An Introduction to Literature, Criticism and Theory* is the essential guide to literary studies. Starting at the beginning and concluding with the end, the book covers topics that range from the familiar (character, narrative, the author) to the more unusual (secrets, pleasure, ghosts). Eschewing abstractisms, Bennett and Royle successfully illuminate complex ideas by engaging directly with literary works, so that a reading of *Jane Eyre* opens up ways of thinking about racial difference, whilst Chaucer, Raymond Chandler, and Monty Python are all invoked in a discussion of literary laughter. Each chapter ends with a narrative guide to further reading, and the book also includes a glossary and bibliography. The fourth edition has been revised to incorporate two timely new chapters on animals and the environment. A breath of fresh air in a field that can often seem dry and dauntingly theoretical, this book will open the reader's eyes to the exhilarating possibilities of both reading and studying literature.

The Uncanny Valley Hypothesis and Beyond Marcus Cheetham, 2018-05-02
A field of theory and research is evolving around the question highlighted in the Uncanny Valley Hypothesis: How does high realism in anthropomorphic design influence human experience and behaviour? The Uncanny Valley Hypothesis posits that a very humanlike character or object (e.g., robot, prosthetic limb, doll) can evoke a negative affective, i.e., uncanny state. Recent advances in robotic and computer graphic technologies in simulating aspects of human appearance, behaviour, and interaction have been accompanied, therefore, by theorising and research on the meaning and relevance of the Uncanny Valley Hypothesis for anthropomorphic design. Current understanding of the uncanny idea is still fragmentary, and further original research is needed. However, the emerging picture indicates that the relationship between humanlike realism and subjective experience and behaviour may not be as straightforward as the Uncanny Valley Hypothesis suggests. This Research Topic brings together researchers from traditionally separate domains, including robotics, computer graphics, cognitive science, psychology, and neuroscience, to provide a snapshot of current work in this field. A diversity of issues and questions are addressed in contributions that include original research, review, theory, and opinion papers.

Aikido in America John Stone, Ron Meyer, Ronald C. Meyer, 1995
A virtual oral history of Aikido in the United States, this collection of original interviews taps into two generations of martial artists and allows them to tell how the ancient Japanese discipline sometimes

called the way of harmony has affected the course of their lives 15 photos Gothic Things Jeffrey Andrew Weinstock, 2023-07-04 SHORTLISTED THE ALLAN LLOYD SMITH PRIZE FOR BEST MONOGRAPH Offering an innovative approach to the Gothic *Gothic Things* Dark Enchantment and Anthropocene Anxiety breaks ground with a new materialist analysis of the genre highlighting the ways that since its origins in the eighteenth century the Gothic has been intensely focused on ominous matter and thing power In chapters attending to gothic bodies spaces books and other objects *Gothic Things* argues that the Gothic has always been about what happens when objects assume mysterious animacy or potency and when human beings are reduced to the status of just one thing among many more powerful others In exploring how the Gothic insistently decenters the human Jeffrey Andrew Weinstock reveals human beings to be enmeshed in networks of human and nonhuman forces mostly outside of their control *Gothic Things* thus resituates the Gothic as the uncanny doppelgänger of twenty first century critical and cultural theory lurking just beneath the surface and sometimes explicitly surfacing as it haunts considerations of how human beings interact with objects and their environment In these pages the Gothic offers a dark reflection of the contemporary nonhuman turn expressing a twenty first century structure of feeling undergirded by anxiety over the fate of the human spectrality monstrosity and apocalypse Substituting horror for hope the Gothic Weinstock explains has been a philosophical meditation on human relations to the nonhuman since its inception raising significant questions about how we can counter anthropocentric thought in our quest to live more harmoniously with the world around us *Of Body Snatchers and Cyberpunks* Sonja Georgi, Kathleen Loock, 2011

An Eerie Familiar Introduction

In the digital age, access to information has become easier than ever before. The ability to download An Eerie Familiar has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download An Eerie Familiar has opened up a world of possibilities. Downloading An Eerie Familiar provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading An Eerie Familiar has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download An Eerie Familiar. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading An Eerie Familiar. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading An Eerie Familiar, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download An Eerie Familiar has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About An Eerie Familiar Books

1. Where can I buy An Eerie Familiar books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a An Eerie Familiar book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of An Eerie Familiar books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
