An Eagle And It S Talons:

Omens and Oracles Matthew Dillon, 2017-07-14 Addressing the role which divination played in ancient Greek society this volume deals with various forms of prophecy and how each was utilised and for what purpose Chapters bring together key types of divining such as from birds celestial phenomena the entrails of sacrificed animals and dreams Oracular centres delivered prophetic pronouncements to enquirers but in addition there were written collections of oracles in circulation Many books were available on how to interpret dreams the birds and entrails and divination as a religious phenomenon attracted the attention of many writers Expert diviners were at the heart of Greek prophecy whether these were Apollo s priestesses delivering prose or verse answers to questions put to them by consultants diviners known as manteis who interpreted entrails and omens the chresmologoi who sang the many oracles circulating orally or in writing or dream interpreters Divination was utilised not only to foretell the future but also to ensure that the individual or state employing divination acted in accordance with that divinely prescribed future it was employed by all and had a crucial role to play in what courses of action both states and individuals undertook Specific attention is paid in this volume not only to the ancient written evidence but to that of inscriptions and papyri with emphasis placed on the iconography of Greek divination

The Story of Apollo 11 and the Men on the Moon 50 Years Later Myra Faye Turner, 2018 Imagine being far enough from the earth that it looks like a tiny blue circle In July 1969 three men aboard the Apollo spaceship got to see just that on their way to the moon The moon landing is an unforgettable episode in American history For centuries going to the moon had seemed like an interesting idea but surely impossible But as various technologies developed at a rapid pace in the mid 20th century the impossible became possible You ve surely heard of Armstrong s famous words That s one small step for man one giant leap for mankind But there s probably a lot that you don t know Get ready to discover the following The debate behind Armstrong s famous words The contents of the poem that Pat Collins gave her husband before he left Earth The adrenaline rush of the three astronauts when Apollo 11 launched How the astronauts dealt with TV cameras to provide video footage The complex responsibilities of managing a spaceship 50 years ago Even if you ve heard recordings of Neil Armstrong s voice many times when you immerse yourself in the dramatic events of July 1969 you ll unearth the significance and fascination of this famous historical event
